EXPLANATORY NOTE

(This Note is not part of the Scheme.)

This Scheme further amends the Fishing Vessels (Acquisition and Improvement) (Grants) Scheme 1967 which enables the White Fish Authority and the Herring Industry Board to make grants towards the cost of acquiring or improving vessels employed in catching or processing white fish or herring. Under that Scheme (as amended) it is a condition precedent to the payment of a grant that the relevant application is approved before 1st January 1974; this Scheme substitutes 1st January 1975 for that date.

This Scheme was approved by a resolution of the House of Commons on 22nd January 1974 and a resolution of the House of Lords on 5th February 1974 and comes into Operation on 6th February 1974.
