EXPLANATORY NOTE

(*This Note is not part of the Scheme.*)

This Scheme further varies the Fishing Vessels (Acquisition and Improvement) (Grants) Scheme 1976, which enables grants to be made by the White Fish Authority and the Herring Industry Board towards expenditure incurred in the acquisition or improvement of vessels engaged or to be engaged in catching or processing white fish or herring.

No grant may be paid under that Scheme (as varied) unless the relevant application is approved before 1st January 1981; this Scheme substitutes 1st January 1982 for that date.

This Scheme was approved by a resolution of the House of Commons on 15th December 1980 and a resolution of the House of Lords on 11th December 1980 and comes into operation on 16th December 1980.
