EXPLANATORY NOTE

(This Note is not part of the Order.)

This order amends the Food Protection (Emergency Prohibitions) (No. 3) Order 1986 which contains emergency prohibitions restricting various activities in order to prevent human consumption of food which has been or which may have been rendered unsuitable for that purpose in consequence of the escape of radioactive substances from a nuclear reactor situated at Chernobyl in the USSR.

The principal order is amended by the substitution of a new Schedule in which the extent of the designated areas is reduced.
