(*c*) an amount equal to the appropriate percentage of the sums calculated under the above heads specified in column 2 of Part II of the First Schedule hereto or, in cases where more than one percentage is appropriate, the aggregate of such appropriate percentages of the sums calculated under the above heads in relation to the respective cases:

Provided that where in respect of any goods supplied by sale the manufacturer's costs together with the appropriate percentage thereof indicated in head (*c*) of this paragraph exceed the appropriate amount specified in the Second Schedule to this Order or to the Order hereby revoked or to the Order revoked by that Order or to the Directions revoked by the last mentioned Order, as in force at the date of such supply in relation to them (with any adjustment provided for in relation to the nature of the goods or of the buyer), the amount of the excess shall be deducted from the sums calculated under the above heads.

(2) The price charged by a manufacturer in respect of the sale of any utility goods, being footwear other than that to which paragraph (1) of this Article applies, being a sale otherwise than by retail, shall be reduced by an amount not less than 6¼ per cent. of the gross price in each case in which payment is made or tendered therefor on a day not later than 7 days after the receipt of the footwear by the buyer.

7.—(1) Every manufacturer shall, with respect to utility goods, being footwear, make and keep in relation to each accounting period of his business beginning after the 31st day of August, 1946, a record containing the following particulars—

(*a*) the number of pairs of each class of such goods manufactured by him during such period;

(*b*) the number of pairs of each class of such goods sold or transferred by him during such period;

(*c*) in relation to each class of such goods sold or transferred by him during such period, the amount which he has taken into account in regard to the matters set out in each paragraph of the Third Schedule hereto or the Fourth Schedule to the Utility Mark and Apparel and Textiles (General Provisions) Order, 1947, as the case may be, in computing the price to be charged under this Order or the Order hereby revoked or the Order revoked by that Order with respect to goods of that class;

(*d*) in relation to all such goods taken as a whole, the costs actually paid or incurred by him during such period in regard to the matters set out in each item in each paragraph in the Third Schedule hereto or the Fourth Schedule to the Utility Mark and Apparel and Textiles (General Provisions) Order, 1947, as the case may be.

(2) The record referred to in paragraph (1) of this Article shall be retained by the manufacturer for a period of not less than 12 months from the end of the period to which it relates.
