EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The purpose of this Amending Order is to enable the Foreign Compensation Commission to make at a uniform rate interim part payments on claims determined by them either provisionally or finally, even though all claims under the Yugoslav Order in Council have not yet been finally determined. It also provides that, for this purpose, the Commission may vary the amount provisionally awarded in respect of any claim.

The uniform rate of payment is to be determined with reference to the Commission's estimate of the total liability of the Yugoslav Fund and the distributable amount of that Fund at the date when this Order comes into operation.
