(2) The utility mark may no longer be applied to garments made from skins of fitch (British), jackal, hare and opossum (American).
(3) Manufacturers' overriding maximum prices for garments made from skins of genet and opossum (ringtail) have been increased by reason of the transfer of these skins from Description 4 to Description 3 in the First Schedule.
(4) The definition of fur apparel has been altered to include fur shells and fur plates.
(5) Men's full length unlined sheepskin coats and women's waistcoats have been added to the First Schedule
