And be it enacted, That all such Assignations of the said Assessments, in Security of Money to be borrowed as aforesaid, and all Transferences thereof, shall within Thirty Days of the Date thereof respectively be produced to the Treasurer or Clerk of the said Commissioners for Entry, and shall be entered by him in a Book or Books to be kept for that Purpose; and after such Entry made, but not before, every such Assignation or Transference shall entitle the Assignee or Transferee to the Benefit of the Principal Sum and Interest thereby assigned or transferred respectively, without other or farther Registration; and the Person or Persons to whom any such Principal Money and Interest shall be assigned or transferred, and their respective Executors, Representatives, or Assignees, shall be Creditors on the said Assessment, and Heritors or Owners of the Lands and Heritages, and of the Occupiers of the Houses assessed as aforesaid, and their Heirs and Assignees, so far as such Assessments respectively are due and remain unpaid by them or their foresaids; and no such Creditor shall have any Preference by reason of Priority in Date of any such Security or Assignation.

Bonds may be paid up.

XLIX. Provided always, and be it enacted, That it shall be competent and lawful for the said Commissioners at any Time to pay up and cancel any such Assignations, but only after Six Months Notice in Writing, previous to the Term at which the same is intended to be paid up, given to the Creditor in such Assignation personally, or, in case of Absence, to his or her known Factor or Agent; and if after such Notice such Creditor shall refuse or neglect to receive Payment of so much of the Sum contained in such Assignation as shall be then due, the said Commissioners shall not thereafter be liable to such Creditor in the Payment of any Interest upon such Sum as shall then be due as aforesaid.

Commissioners not personally liable.

L. Provided always, and be it enacted, That the said Commissioners shall not be personally subject or liable to pay the Sums so borrowed; and in case of borrowing on their own personal Security for the said Purposes the said Commissioners shall have Security and Relief, for Repayment of the Amount so borrowed, upon the Funds, Property, and Assessments before provided.

Money to be lodged in Bank.

LI. And be it enacted, That the said Commissioners or their Treasurer shall lodge all and every Sum or Sums of Money which they

shall receive or borrow in virtue of the Powers of this Act with any Branch of the Bank of *Scotland*, or Royal Bank of *Scotland*, or of the *British* Linen Company, or Bank of the Commercial Banking Company, or National Bank of *Scotland*, at *Glasgow*, therein to remain until the same shall be required for the Purposes of this Act; and no Payments shall be made therefrom but under a Warrant signed by the Lord Provost for the Time being, or the Sheriff of the County, and any Two of the Commissioners aforesaid.

Commissioners may make Regulations for Government of Court Houses.

LIII. And be it enacted, That the said Commissioners shall have Power and they are hereby authorized from Time to Time to make such Rules, Orders, and Regulations as they may consider necessary or expedient for the good Order, Government, and Management of the Court Houses, Buildings, and other Works hereby authorized to be erected and formed, and, when necessary or expedient, to repeal, alter, or amend such Rules, Orders, and Regulations, and to impose reasonable Fines or Penalties, to be recovered at the Instance of the Clerk of the said Commissioners, not exceeding Five Pounds for any Breach or Violation thereof; provided always, that the same shall not be inconsistent with any of the Provisions of this Act or repugnant to the Law of *Scotland*.

Power to enlarge County and City Bridewell.

LIV. And whereas it has become necessary and expedient to enlarge the County and City Bridewell within the said City erected under the before-recited Acts passed in the Third and Fifth Years of the Reign of His late Majesty King *George* the Fourth; be it therefore enacted, That the Commissioners appointed by or under the said recited Acts shall have Power and they are hereby authorized to enlarge and render more commodious the said Bridewell, in such Manner and agreeably to such Plans as they shall consider expedient or advisable, the Expence of the Buildings necessary for that Purpose not to exceed the Sum of Five thousand Pounds for the said Addition or Enlargement, and One thousand five hundred Pounds as the Expence of the Site thereof.

LV. And

Assessment for additional Sum to be raised to be levied as directed in the Case of Repairs under the Act of 5 G. 4.

LV. And be it enacted, That the Commissioners appointed by the said recited Acts shall be entitled, and they are hereby authorized and empowered, to impose, exact, levy, and recover, or to cause to be imposed, exacted, levied, or recovered, the said Sums of Five thousand Pounds and One thousand five hundred Pounds by an Assessment from or out of the Lands, Tenements, or other Heritages or Properties specified in the said recited Act passed in the Fifth Year of the Reign of His late Majesty King *George* the Fourth, and situated within the ancient and extended Royalty of the City of *Glasgow* and within the Lower Ward of the County of *Lanark* respectively, in the same Way and Manner, and agreeably to the like Proportions, as the said Commissioners are entitled to impose, levy, and recover an Assessment upon the said Lands, Tenements, or other Heritages or Properties situated within the said Limits respectively, for the Support, Repair, and Maintenance of the County and City Bridewell already erected as aforesaid within the said City.

Commissioners may borrow on Credit of Assessment.

LVI. And be it enacted, That it shall be lawful to and in the Power of the Commissioners appointed by the said recited Acts to borrow and take up at Interest upon the Credit of the Assessment just mentioned any Sum or Sums of Money not exceeding the Sum of Five thousand Pounds, and to assign the said Assessment in Security of the Repayment thereof.

Expence of repairing Addition to be raised along with Expence of maintaining present Buildings.

LVII. And be it enacted, That the said Commissioners shall be entitled to include the Expence of repairing and maintaining the Addition to or Enlargement of the said Bridewell as aforesaid in the Assessments authorized to be imposed and levied under the before-recited Acts for the Repair and Maintenance of the Buildings thereby authorized to be erected.

Former Bridewell Acts continued in force.

LVIII. And be it enacted, That nothing herein contained shall be held to repeal, alter, or affect the before-recited Acts, except in so far as they may be inconsistent with this Act and the said recited Acts; and the whole Clauses, Provisions, Penalties, Means of Recovery, Remedies, Matters, and Things therein contained shall be as good, valid, and effectual for carrying this Act into execution as if the same had been re-enacted and embodied in this Act.

Expence of this Act how to be defrayed.

LIX. And be it enacted, That Four Fifths of the Expence attending the applying for and obtaining this Act shall be included in the Assessment and paid out of the first Monies to be imposed and raised for the Erection of the Justiciary and Civil Court Hall or Halls and the County and City Buildings, and shall with that view be embraced in the Estimates by the Arbiters before mentioned, and the remaining One Fifth of the said Expence out of the Assessment authorized to be imposed for repairing and maintaining the said County and City Bridewell.
