(*a*) another specified motor vehicle or vehicles in substitution for any of the motor vehicles specified in the permit, or

(*b*) if the permit authorises the use of some but not all of the motor vehicles to be used at any one time, another specified motor vehicle or vehicles in addition to the motor vehicles specified in the permit but without increasing the number of motor vehicles authorised to be used at any one time.

Every variation of a permit made by the Executive upon any such application shall be in the form set out in the Second Schedule to these Regulations and shall be issued to the holder of the permit together with a supplementary vehicle pass or passes.

(2) If at any time whilst a permit is in force, in which the motor vehicles authorised to be used thereunder are not specified, the holder of the permit desires to use a motor vehicle or vehicles whether in addition to or in substitution for any of the motor vehicles specified in his application for the permit (as modified by any particulars furnished to the Executive under this paragraph) but without increasing the number of motor vehicles authorised to be used at any one time, he shall forthwith furnish the Executive in writing with full particulars of the change. Where the permit is an original or substituted permit which imposes no limit as to the number of motor vehicles authorised to be used at any one time and the change involves the use of an additional such vehicle or vehicles, the Executive shall issue to the holder of the permit an additional vehicle pass or passes.

(3) The number of supplementary vehicle passes issued under this Regulation shall be equal to the number of motor vehicles authorised to be used at any one time under the permit. The said vehicle pass and the supplementary vehicle passes (if any) shall be construed as one and required to relate to the said vehicle.

The holder of the permit and the driver of the vehicle shall be responsible for securing compliance with the foregoing provisions of this Regulation and the driver of the vehicle shall produce the said permit or as the case may be the said vehicle pass and supplementary vehicle passes (if any) for examination if required to do so by any police constable, any certifying officer or examiner appointed under the Road Traffic Act, 1930(a), or the Road and Rail Traffic Act, 1933, or any person authorised in that behalf by a licensing authority or by the Executive.

(2) The holder of a permit not being a job permit shall produce it and every document by which it is varied for examination if so required by any of the persons mentioned in paragraph (1) of this Regulation and may elect whether the production shall be made at his base, or head office, or principal place of business.

(3) In this Regulation references to a permit, a document varying a permit, a vehicle pass or a supplementary vehicle pass shall include references to copies thereof issued under the next succeeding Regulation.

(a) 20 & 21 Geo. 5. c. 43.

Issue of Copies of Permits, Vehicle Passes and other documents

9.—(1) If a permit has during the currency thereof been lost or destroyed, the holder thereof shall forthwith notify the office of the Executive which issued the permit and the Executive, if satisfied that it has been so lost or destroyed shall, on payment of the prescribed fee, issue a copy of the permit (so marked) which shall have the same effect as the permit originally issued. Provided that in the case of any permit which has been lost and is subsequently recovered the permit shall be returned forthwith to the office of the Executive from which it was issued.

(2) If a permit during the currency thereof becomes defaced the holder thereof shall return the permit forthwith to the office of the Executive from which it was issued, and the Executive shall destroy the same.

(4) A fee of five shillings shall be paid for each copy of a permit or of any document varying a permit issued in replacement of one which has been lost or destroyed.

Return of Permits, Vehicle Passes and other documents

10.—(1) If a permit ceases to have effect owing to effluxion of time or by reason of its revocation or suspension, the holder shall within five days after it so ceases to have effect send or deliver the permit together with any document by which the permit is varied and all vehicle passes and supplementary vehicle passes issued in connection therewith to the office of the Executive from which the permit was issued.

(2) Except in a case to which paragraph (1) of Regulation 7 of these Regulations applies, if the Executive give to the holder of an ordinary permit notice in writing of the variation of the permit they shall issue to him a fresh permit as so varied together with fresh vehicle passes and the holder shall, within 5 days of the receipt of such permit and vehicle passes send or deliver the old permit, any documents by which that permit has been varied under Regulation 7 (1) of these Regulations and all vehicle passes and supplementary vehicle passes issued in connection therewith to the office of the Executive from which such permit was issued.

(3) In this Regulation references to a permit, a document varying a permit, a vehicle pass or a supplementary vehicle pass shall include references to copies thereof issued under the last preceding Regulation.

Death, bankruptcy, etc., of Holder of Permit

11. Where, owing to the death, incapacity, bankruptcy or liquidation of the holder of a permit or to the appointment of a receiver or manager in relation to his business, he ceases to be the user under a licence of the vehicles to which the permit relates, the legal personal representative, receiver or manager, liquidator or other such person carrying on the business of the holder of the permit shall be deemed to be the holder of the permit if and so long as he is deemed to be the holder of the licence or is the holder of any licence issued in substitution therefor and if—

(*a*) within fourteen days, notice that the holder of the permit has ceased to be the holder of a licence and the reason therefor and the name and address of the person by whom the business is being carried on be sent to the office of the Executive for the area in which the operating centre of the vehicle or vehicles is situated ; and

(*b*) in any case in which the permit held by the person whose business is being carried on was an ordinary permit, within one month of sending such notice an application for a new permit be duly made.

Provided that the period during which such person shall be deemed to be the holder of a permit shall in no case extend beyond the date on which the permit would have expired but for the occurrence of the said event and shall, in any case in which the provisions of paragraph (*b*) apply, terminate immediately the application for a new permit is disposed of.

Appeals to Tribunal

12.—(1) Every appeal under Section 56 of the Act by a person who, being the holder of an original or substituted permit granted by the Executive, is aggrieved by the revocation or suspension thereof by the licensing authority, or by the Executive if aggrieved by the refusal of a licensing authority to revoke or suspend such a permit, shall be lodged with the Tribunal at their office within the time prescribed by paragraph (4) of this Regulation.

(2) Every such appeal shall be in writing and shall

(*a*) state the reference number and date of issue of the permit, the name and address of the holder thereof and the licensing authority from whose decision the appeal is made;

(*b*) indicate precisely the decision by which the appellant is aggrieved; and

(*c*) state the grounds on which the appeal is made.

(3) Three copies of the appeal shall be sent with the original to the Tribunal for their use and at the same time as the appeal is sent to the Tribunal, or as soon as may be thereafter, a copy shall be sent—

(*a*) to the licensing authority, and

(*b*) in the case of an appeal by the holder of a permit, to the Executive, or

(*c*) in the case of an appeal by the Executive, to the holder of the permit.

(4) For the purposes of subsections (1) and (2) of Section 56 of the Act, the prescribed time within which an appeal to the Tribunal may be made shall be the period of one month after the date of the notice of the revocation or suspension of the permit or of the notice of the refusal to revoke or suspend a permit, as the case may be.

(5) An appeal may be amended at any time as the Tribunal may think fit and upon such terms as the Tribunal may consider just.

Computation of Time

13. In all cases in which any period of time is prescribed by these Regulations, the same shall be reckoned exclusively of the first day and inclusively of the last day, unless the last day shall happen to fall on a Sunday, Christmas Day, New Year's Day or Good Friday, or any day appointed by law to be a bank-holiday, or a day appointed for a public fast or thanksgiving, in which case the time shall be reckoned exclusively of that day also.
