EXPLANATORY NOTE

(This Note is not part of the Scheme, but is intended to indicate its general purport.)

The Grassland Fertilisers (Scotland) Schemes, 1950 and 1951, provided for the making of contributions at rates up to £4 per acre towards the costs incurred by occupiers of agricultural land in Scotland in acquiring and transporting fertilisers used on specified kinds of agricultural land during the period to 30th June, 1953.

The present revocation Scheme stops the payment of contributions under the above Schemes for fertiliser used after 30th June, 1952.
