EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Hill Cattle (Scotland) Scheme 1964 sets out the conditions on which subsidy payments may be made in the year 1964 and each of the next three succeeding years in respect of approved breeding cows grazed and maintained on hill land in Scotland. This Order prescribes the amount of subsidy payment which may be made in respect of each of the four years for each animal in the case of which the provisions of the Scheme are satisfied.
