(This note is not part of the Order.)

The Hill Cattle (Scotland) Scheme 1968 sets out the conditions on which subsidy payments may be made in the year 1968 and each of the next four succeeding years in respect of breeding cows grazed and maintained on hill land in Scotland. This Order prescribes the amount of subsidy payment which may be made in respect of each of those five years for each animal in the case of which the provisions of the Scheme are satisfied.
