EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Hill Sheep (England and Wales) Scheme, 1960, is made under the Hill Farming Act, 1946, as extended by the Hill Farming Act, 1956, and sets out the conditions on which subsidy payments may be made to persons maintaining sheep of a hardy kind on hill land. This Order prescribes the amounts of such payments for the season 1959–60. The payments vary according to the method by which the number of sheep in a flock is maintained.
