THE FIRST SCHEDULE

Maximum Prices, Group Classifications and Maximum-Prices Areas

PART I.—INTERPRETATION PROVISIONS

1. In this Schedule, Tables A, B and C mean the tables so headed in Part 6 of this Schedule.

2. In this Schedule, the numbered areas (hereinafter referred to as "maximum-prices areas") are the areas defined in Table B and are—

(*a*) for the purposes of Columns 4 and 5 of Table C, the areas in which the apples are grown; and

(*b*) for the purpose of the remaining columns of Table C, the areas in which the seller's premises (or, as regards Column 7, the seller's or the selling agent's premises) are situate.

3. On a sale of apples grown in the Channel Islands for which the preceding paragraph does not provide a relevant maximum-prices area, the maximum price paid by the buyer or charged by the seller (in so far as this Order is binding upon him) shall be—

(*a*) on a sale through the agency of a licensed selling agent in the United Kingdom, the maximum price applicable to apples grown in the maximum-prices area in which the licensed selling agent's premises are situate;

(*b*) on a sale by the grower otherwise than as in the preceding sub-paragraph, the maximum price that would have been applicable if the apples had been grown in the maximum-prices area in which the buyer's premises are situate; and

(*c*) on a sale other than a sale by the grower, the maximum price that would have been applicable if the seller's premises had been situate in the same maximum-prices area as the buyer's premises.

4. In this Schedule—

(*a*) the expressions "seller's premises" and "licensed selling agent's premises" mean, in relation to a sale by the grower or a sale by wholesale, the premises at which the apples are last stored or kept on behalf of the seller or (as the case may be) the selling agent before delivery or despatch to the buyer; provided that if on a sale by wholesale the apples are delivered or despatched direct from the grower's farm, such farm shall be regarded as the seller's premises;

(*b*) the expression "seller's premises" means, in relation to a sale by retail, the premises at or in connection with which the sale takes place; and

(*c*) in relation to standard Northern Ireland boxes, the expression "X-type" means a box of a type required under the Marketing of Fruit Act (Northern Ireland), 1931 to be marked with the letters "AX" or "BX" and the expression "Z-type" means a box of a type required by the same Act to be marked with the letters "AZ" or "BZ".

PART 2.—MAXIMUM PRICES OF APPLES ON A SALE BY THE GROWER OTHERWISE THAN TO A MANUFACTURER

1. The maximum price shall, subject as hereafter provided in this Part of this Schedule, be the appropriate price specified in Column 4 of Table C.

2. On a sale by the grower through the agency of a licensed selling agent, the maximum price may be increased by the amount of any commission reasonably paid or incurred by the grower to the selling agent not exceeding a sum at the appropriate rate specified in Column 5 of Table C.

3.—(1) If packages or containers are provided by the grower (or by a selling agent on his behalf), the maximum price may be increased—

(*a*) by a sum at the rate of 2s. 4d. per cwt. net of apples delivered therein;

(*b*) in the case of standard Northern Ireland boxes supplied on a non-returnable basis, in addition to any charge made under sub-paragraph (*a*) hereof, by a sum at the rate of 1s. 8d. for each X-type box and 2s. 6d. for each Z-type box; and

(*c*) in the case of a returnable container, in addition to any charge made under sub-paragraph (*a*) hereof, by a deposit charge made by the seller in accordance with the provisions of the Containers Order; provided that, in the case of a Z-type standard Northern Ireland box, that Order shall have effect subject to the modification that the amount of such deposit shall not vary with the value of the box but shall be the fixed sum of 3s. for each box.

(2) Except as provided in this paragraph, no additional charge shall be made in respect of packing or of packages or containers.

4. Except on a sale to which paragraph 5 hereof applies, the maximum price may be increased by the amount of any costs or charges reasonably paid or incurred by the grower in respect of the transport of the apples from the grower's farm to any other place at which delivery is given at the request of the buyer; provided that, if the apples are transported by rail, all reasonable costs and charges of and incidental to the transport of the apples to the railway station nearest to the grower's farm shall be borne by the grower, or the maximum price shall be reduced by the amount of such costs and charges.

5. On a sale by the grower through the agency of a licensed selling agent of apples that have been delivered to the premises of the selling agent before delivery to the buyer, the following provisions shall apply:—

(*a*) the maximum price may be increased by the amount of any costs and charges reasonably paid or incurred by the grower in respect of the transport of the apples to such premises—

(i) if the apples have been transported by rail, from the railway station nearest to the grower's farm; or

(ii) if the apples have not been transported by rail, from the grower's farm:

Provided that such amount shall not exceed a sum at the appropriate rate specified in Column 7 of Table C;

(*b*) if at the request of the buyer delivery is given by the selling agent otherwise than at his premises, the maximum price may be further increased by the amount of any costs and charges reasonably paid or incurred in respect of the transport of the apples from such premises to the place at which delivery is given:

Provided that if such transport is effected in vehicles owned or controlled by the grower or the selling agent, the maximum amount of such further addition shall be either—

(i) a sum at the rate of 1s. 2d. per cwt. net; or

(ii) for each consignment of apples that is separately consigned at the request of the buyer, or that it is reasonable in the circumstances to consign as a separate consignment, a sum at the rate of 3d. if the consignment does not exceed 24 lb. net or 6d. if it exceeds 24 lb. net;

whichever is the greater. For the purposes of this proviso, a consignment of apples includes all the apples delivered to the buyer at the same time and place.

6. Except as provided in paragraphs 4 and 5 of this Part of this Schedule, no additional charge shall be made in respect of transport or delivery.

7. If in the case of apples grown in Northern Ireland and bought for export to Great Britain, the grower has not graded and packed the apples so as to comply with the provisions of the Marketing of Fruit Act (Northern Ireland), 1931 and the Rules made thereunder as regards apples so exported, and such grading and packing is carried out by the buyer, the maximum price shall be reduced by a sum at the rate of 6d. per standard Northern Ireland box in which the apples are so packed.

Part 3.—Maximum Prices of Apples on a Sale by any Person to a Manufacturer

1. The maximum price applicable in accordance with the provisions of paragraphs 1, 4 and 6 of Part 2 of this Schedule shall apply.

2. On a sale by the grower through the agency of a licensed selling agent, the maximum price may be increased by the amount of any commission reasonably paid or owed by the grower to the selling agent not exceeding a sum calculated at the rate of 1s. per cwt. net.

3. On a sale by any person other than the grower, the maximum price may be increased by a sum calculated at the rate of 1s. per cwt. net.

4.—(1) If packages or containers are provided by the seller (or by a selling agent on his behalf), the maximum price may be increased—

(*a*) by a sum at the rate of 6d. per cwt. net of apples delivered therein;

(*b*) in the case of standard Northern Ireland boxes supplied on a non-returnable basis, in addition to any charge made under sub-paragraph (*a*) hereof, by a sum at the rate of 1s. 8d. for each X-type box and 2s. 6d. for each Z-type box; and

(*c*) in the case of a returnable container, in addition to any charge made under sub-paragraph (*a*) hereof, by a deposit charge made by the seller in accordance with the provisions of the Containers Order; provided that in the case of a Z-type standard Northern Ireland box that Order shall have effect subject to the modification that the amount of such deposit shall not vary with the value of the box but shall be the fixed sum of 3s. for each box.

(2) Except as provided in this paragraph, no additional charge shall be made in respect of packing or of packages or containers.

PART 4.—MAXIMUM PRICES OF APPLES ON A SALE BY WHOLESALE OTHERWISE THAN TO A MANUFACTURER

2.—(1) The maximum price includes all costs and charges in respect of packages or containers, and no additional charge shall be made by the seller in respect thereof with the exception, in the case of a returnable container, of the deposit charge that is required to be made by the seller under the Containers Order.

(2) If Z-type standard Northern Ireland boxes are supplied as returnable—

(*a*) the Containers Order shall have effect subject to the modification that the amount of the deposit made thereunder shall not vary with the value of the box, but shall be the fixed sum of 3s. for each box; and

(*b*) there shall be deducted from the maximum price a sum at the rate of 2s. 6d. per box.

(3) If packages or containers are not provided by the seller, a sum at the rate of 2s. 4d. per cwt. net shall be deducted from the maximum price.

3.—(1) The maximum price may be increased by the amount of any costs and charges reasonably paid or incurred in respect of the transport of the apples from the grower's farm to the seller's premises; provided that such charge shall not exceed a sum calculated at the appropriate rate specified in Column 7 of Table C.

(2) If at the request of the buyer delivery is given by the seller otherwise than at the seller's premises, the maximum price may be further increased by the amount of any costs and charges reasonably paid or incurred by the seller in respect of the transport of the apples from the seller's premises to the place at which delivery is given:

Provided that if such transport is effected in vehicles owned or controlled by the seller, the maximum amount of such further addition shall be either—

(*a*) a sum at the rate of 1s. 2d. per cwt. net; or

(*b*) for each consignment of apples that is separately consigned at the request of the buyer, or that it is reasonable in the circumstances to consign as a separate consignment, a sum at the rate of 3d. if the consignment does not exceed 24 lb. net or 6d. if it exceeds 24 lb. net;

whichever is the greater. For the purposes of this proviso, a consignment of apples includes all the apples delivered to the buyer at the same time and place.

(ii) a charge made under sub-paragraph (2) of this paragraph.

(2) In any case where the seller has available, and offers to the buyer without additional charge, a container adequate for the purpose of the convenient carrying away by the buyer of the apples purchased, and the buyer expressly requests to be supplied, instead of or in addition to such container, with a carrier-bag or other container (being a container of more than adequate size or durability for that purpose, and of a description which would not ordinarily be supplied with the apples unless separately purchased for an additional sum), a reasonable charge may be made by the seller for the supply of such carrier-bag or other container.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order reimposes price and other controls on home-grown apples from 20th November, 1949, onwards. The maximum prices are the same as those that were in force during corresponding periods in 1948 and 1949. Sales of home-grown apples for ships' stores are, however, exempted from the provisions of the Order, as well as sales by caterers (as a meal or part of a meal) and sales in particular counties of Scotland.
