EXPLANATORY NOTE

(This Note is not part of the Instrument.)

This Instrument (which applies only to Scotland) prescribes the qualifications, viz. membership of a specified accountancy body, that must be possessed by an accountant who is nominated by the owner or consignor of horticultural produce to inspect the books of a salesman. It supersedes the former Regulation prescribing such qualifications (S.R. & O. 1927/755) consequent on the amalgamation of some of the accountancy bodies mentioned therein.
