(This note is not part of the Order.)

This Order amends the Housing (Improvement, Intermediate and Repairs Grants) Order (Northern Ireland) 1981 (S.R. 1981 No. 74) by specifying an additional category of house for which increased limits of eligible expense are to be applied when calculating the amount of improvement grant payable by the Northern Ireland Housing Executive under Chapter I of Part IV of the Housing (Northern Ireland) Order 1981. The increased limit applies in relation to applications for such grant approved after 10th July 1982.

This additional category relates to a house which is in need of repairs of a substantial and structural character where the works in respect of which the improvement grant is sought consist of or include such repairs.
