EXPLANATORY NOTE

(*This Note is not part of the Order.*)

Section 3(2)(*c*)(i) of the Housing (Scotland) Act 1974 as applied by Section 10A(5) (inserted by Section 8 of the Housing (Financial Provisions) (Scotland) Act 1978) provides that an application for repairs grant shall not be approved if the house to which the application relates is on completion of the works to be occupied by the owner of the house and had on the date of application a rateable value in excess of prescribed limits. Different limits may be prescribed for houses in different areas.

This Order prescribes new limits of rateable value for the purposes of the said Section as it applies to repairs grants. The limits of rateable values prescribed are the same as those prescribed by the Housing (Limits of Rateable Value for Improvement Grants) (Scotland) Order 1978 (S.I. 1978/381).
