EXPLANATORY NOTE

(This Note is not part of the regulations, but is intended to indicate their purport.)

Section 23 (1) of the Housing Act, 1949, prescribes conditions to be observed with respect to dwellings in respect of the provision or improvement of which by persons other than local authorities grants have been made by local authorities under section 20 of the Act. Section 23 (2) provides that in the event of a breach of any of those conditions in any case a specified proportion of any sums paid by way of grant in respect of expenses incurred for the purposes of the execution of the works, together with compound interest on the specified proportion of each sum paid, calculated at a prescribed rate, shall be recoverable on demand by the local authority from the owner for the time being of the dwelling.

Section 35 (1) enables the Minister of Health, with the consent of the Treasury, by statutory instrument to make regulations prescribing anything required amongst other provisions by Section 23 (2) to be prescribed.
