EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order specifies representative borrowing rates for the year 1969/70 for the several bodies who receive housing subsidies under the Housing Subsidies Act 1967. The main subsidy will meet the difference between the loan charges on the aggregate approved cost of dwellings completed in that year at the borrowing rates specified in the Order, and the loan charges which would have been incurred at a fixed borrowing rate of 4 per cent.
