1959. In this interim period, certain changes have been made in the drawbacks currently allowable, and certain corrections have been made in the transposition of the existing rates of duty into Brussels Nomenclature terms, with consequential effects on drawbacks. The present Order provides for these changes and also for certain other drawbacks, at present allowed under existing legislation, which were omitted from the previous Order.

This Order also provides, as from 1st January, 1959, for the allowance of new drawbacks of protective duty on the exportation of—

(*a*) certain canned or bottled foodstuffs made from specified descriptions of tomato purée or paste;

(*b*) certain paper bags made from specified descriptions of unbleached greaseproof paper or glazed transparent paper; and

(*c*) stearine and oleine fatty acids, and certain cloth oils and wool oils containing oleine fatty acids, made from animal tallow or bone grease.

1958 No. 1107

The Hydrocarbon Oil Duties (Drawback) (No. 1) Order, 1958

Made - - - -	*4th July*, 1958
Laid before the House of Commons	*8th July*, 1958
Coming into Operation	*9th July*, 1958

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by section two hundred and three of the Customs and Excise Act, 1952(a), and of all other powers enabling them in that behalf, hereby make the following Order:—

1.—(1) As respects articles of any class or description specified in the Schedule to this Order drawback shall be allowed in respect of hydrocarbon oil used as a solvent in the manufacture or preparation of the articles, and shall be so allowed as respects the duty on a quantity of hydrocarbon oil determined according to the rate so specified in relation to that class or description.

(2) In the foregoing paragraph the expression "drawback" means drawback under section two hundred and three of the Customs and Excise Act, 1952, of any customs or excise duty on hydrocarbon oils.

2.—(1) This Order may be cited as the Hydrocarbon Oil Duties (Drawback) (No. 1) Order, 1958.

(2) This Order shall come into operation on the ninth day of July, nineteen hundred and fifty-eight.

Dated this fourth day of July, 1958.

Martin Redmayne,
Edward Wakefield,
Two of the Lords Commissioners of Her Majesty's Treasury.

(a) 15 & 16 Geo. 6 & 1 Eliz. 2. c. 44.

SCHEDULE

Class or description of article	*Rate for determining quantity of hydrocarbon oil*
1. Soya bean oil extracted by a process involving the use of hydrocarbon oil.	3·6 gallons per ton of the article.
2. Ground nut oil extracted by a process involving the use of hydrocarbon oil.	3·4 gallons per ton of the article.

EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

This Order provides for the allowance of drawback of customs or excise duty paid in respect of hydrocarbon oil used as a solvent in the manufacture of soya bean oil and ground nut oil. The drawback applies when the articles are exported, or shipped or deposited in warehouse for use as stores, on or after 9th July, 1958. The quantities of oil in respect of which drawback is allowable are to be determined in accordance with the provisions of the Schedule.

1958 No. 1411

The Hydrocarbon Oil Duties (Drawback) (No. 2) Order, 1958

Made - - - -	22*nd August*, 1958
Laid before the House of Commons	26*th August*, 1958
Coming into Operation	27*th August*, 1958

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by section two hundred and three of the Customs and Excise Act, 1952(a), and of all other powers enabling them in that behalf, hereby make the following Order:—

1. The Hydrocarbon Oil Duties (Drawback) (No. 1) Order, 1957(b) (Article 1 of which provides for the allowance of drawback in respect of hydrocarbon oil used as a material, preservative, solvent or finish in the manufacture or preparation of certain articles specified in the First Schedule to the Order as respects the duty on a quantity of hydrocarbon oil determined according to rates so specified) shall be varied by the substitution in paragraph 4 of the First Schedule (which relates to rubber tyres, including solid tyres but not including inner tubes), in the second column, of 0·382 for 0·268 as the number of gallons per 100 lbs. of the tyres, being the rate specified as aforesaid in relation to the tyres; and Article 4 of the said Order (which provides for the allowance of drawback as respects rubber tyres incorporated in vehicles or aircraft) shall have effect accordingly.

(a) 15 & 16 Geo. 6 & 1 Eliz. 2. c. 44. (b) S.I. 1957/823 (1957 I, p. 1133).
