STATUTORY INSTRUMENTS

1963 No. 1101 (S. 44)

FOOD AND DRUGS

COMPOSITION—SCOTLAND

The Ice Cream (Scotland) Amendment Regulations 1963

Made - - - -	13*th June* 1963
Laid before Parliament	24*th June* 1963
Coming into Operation	25*th June* 1963

In exercise of the powers conferred on me by section 4 of the Food and Drugs (Scotland) Act 1956(a) and of all other powers enabling me in that behalf, and having consulted with such organisations as appear to me to be representative of interests substantially affected by these regulations, I hereby make the following regulations :—

Citation and commencement

1. These regulations may be cited as the Ice Cream (Scotland) Amendment Regulations 1963, and shall come into operation on 25th June 1963.

Interpretation

2.—(1) In these regulations, unless the context otherwise requires—

" the principal regulations " means the Ice Cream (Scotland) Regulations 1948(b) as amended(c).

(2) The Interpretation Act 1889(d) shall apply to the interpretation of these regulations as it applies to the interpretation of an Act of Parliament.

Amendment of the Ice Cream (Scotland) Regulations 1948

3. In Regulation 1(3) of the principal regulations (which contains definitions of expressions used in the principal regulations)—

(*a*) for the definition of " complete cold mix " there shall be substituted the following definition :—

" " complete cold mix " means a product which is capable of manufacture into ice cream with the addition of water only, has been made by dehydrating a liquid mixture which has already been submitted to heat treatment comparable with that prescribed in the principal regulations, is delivered to the dealer in an unopened airtight container in which it has been packed by the manufacturer, and to which in the dry state, no substance other than sugar may have been added."

(*b*) after the definition of " local authority " there shall be added the following definition :—

" " sugar " means any soluble carbohydrate sweetening matter and for this purpose " carbohydrate " means a substance containing carbon, hydrogen and oxygen only in which the hydrogen and oxygen occur in the same proportion as in water."

(a) 4 & 5 Eliz. 2. c. 30. (b) S.I. 1948/960 (Rev. VIII,p. 56: 1948 I, p. 1207).
(c) The only relevant instrument is S.I. 1960/2108 (1960 II, p. 1480).
(d) 52 & 53 Vict. c. 63.

4. In Regulation 8 of the principal regulations after the words " other than " there shall be inserted the word " sugar ".

5. In Regulations 9 and 10 of the principal regulations wherever Fahrenheit temperatures are given there shall be inserted after the Fahrenheit temperature the equivalent Centigrade temperature, namely :—

(i) In Regulation 9(*a*) after " 45°F ", " (7·2° Centigrade) " ; and after " 150°F," " (65·5° Centigrade) " ;

(ii) In Regulation 9(*b*)

(*a*) after " 150°F ", " (65·5° Centigrade) " ;

(*b*) after " 160°F ", " (71·1° Centigrade) " ;

(*c*) after " 175°F ", " (79·4° Centigrade) " ;

(*d*) after " 300°F ", " (148·8° Centigrade) " ;

(iii) In Regulation 9(*d*) and 9(*e*) in each place where it occurs after " 45°F " " (7·2° Centigrade) " ;

(iv) In Regulation 10 after " 28°F " in each place where it occurs " (−2·2° Centigrade) ".

Michael Noble,
One of Her Majesty's Principal Secretaries of State.

St. Andrew's House,
Edinburgh, 1.

13th June 1963.

EXPLANATORY NOTE

(This note is not part of these regulations, but is intended to indicate their general purport.)

These Regulations amend the Ice Cream (Scotland) Regulations 1948, as amended, to allow the addition of sugar to sterilized or pasteurized mixtures used in the manufacture of ice cream. They also insert references to equivalent Centigrade temperatures.
