SCHEDULE

1. Drawback as respects duties chargeable under Part I of the Import Duties Act, 1932(a), shall be allowed in the case of weed-killer of the following description, that is to say,—

compound weed-killer containing not less than 20 per cent. and not more that 75 per cent. by weight of sodium chlorate,

in respect of the following material used in the manufacture thereof, that is to say,—

sodium chlorate, imported in the form of powder, not less than ninety-nine per cent. pure.

2. Subject to paragraph (*a*) of subsection (2) of section two hundred and sixty-seven of the Customs and Excise Act, 1952(b) (which confines drawback to duty-paid material), the drawback shall be allowed in respect of such quantity of the material aforesaid as is actually contained in the weed-killer.

3. The rate of drawback shall be £6 10s. a ton of the material aforesaid, and in the case of fractions of a ton of the material the amount of the drawback shall be calculated proportionately.

4. The drawback shall only be allowed in respect of any of the material aforesaid of which entry under the Customs Acts on importation is or has been delivered on or after the first day of December, nineteen hundred and fifty, or which is or has been delivered from bonded warehouse on or after that date.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order increases from £5 10s. 0d. to £6 10s. 0d. per ton the rate of drawback allowable in respect of Customs duty paid on certain sodium chlorate used in the manufacture of specified descriptions of compound weed-killer.

The Order also extends this drawback scheme to certain types of exported weed-killer and imported sodium chlorate not previously covered.
