EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

Under Scheme IV set out in the Schedule to the Import Duties (Drawback) (No. 21) Order, 1934, as amended, drawback is allowed in respect of imported linseed oil used in the manufacture of certain goods as listed in the Table annexed to the Scheme. The Table specifies for each class or description of goods referred to therein the quantity of linseed oil in respect of which the drawback is allowed per ton of those goods, and is now further amended by this Order which substitutes a revised Table in which the quantity of linseed oil in respect of which drawback is allowed per ton of the manufactured goods is reduced in the case of printed linoleum and floorcloth, linoleum other than printed, felt base and oil baize.
