EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

This Order increases from 8s. 6d. to 11s. 6d. per cwt. the rate of drawback under the Import Duties (Drawback) (No. 4) Order, 1948, in respect of imported carbon black used in the manufacture of printers' inks.

The Import Duties (Drawback) (No. 7) Order, 1950

1950 No. 1421

Made - - - -	*24th August*, 1950
Laid before the House of Commons - -	*26th August*, 1950
Coming into Operation	*28th August*, 1950

Whereas the Treasury have consulted with the appropriate Department and are satisfied that, having regard to all the circumstances, it is in the national interest that drawback should be allowed as provided by the scheme prepared by them which is set out in the Schedule to this Order:

Now, therefore, the Lords Commissioners of His Majesty's Treasury, by virtue of the powers conferred on them by section nine of the Finance Act, 1932(a), and by section one of the Import Duties (Emergency Provisions) Act, 1939(b), and of all other powers enabling them in that behalf, hereby make the following Order:—

1. The scheme set out in the Schedule to this Order is hereby approved.

2. This Order may be cited as the Import Duties (Drawback) (No. 7) Order, 1950.

3. This Order shall come into operation on the 28th day of August, nineteen hundred and fifty.

Dated this 24th day of August, 1950.

W. A. Wilkins,
H. W. Bowden,
Two of the Lords Commissioners of His Majesty's Treasury.

SCHEDULE

1. Drawback as respects duties chargeable under Part I of the Import Duties Act, 1932(c), shall be allowed in the case of sacks, of a weight of not less than 4 oz. and not more than 5 oz., measuring not less than 28 inches by 14 inches and not more than 30 inches by 15½ inches, made wholly of the following material, namely:—

tissue, wholly of cotton, of a weight per square yard of not less than 5½ oz. and not more than 6½ oz., and of a value at importation of not less than 1s. 4d. per square yard,

and indelibly marked with a trade mark covering an area of not less than 80 square inches:

(a) 22 & 23 Geo. 5. c. 25. (b) 2 & 3 Geo. 6. c. 97. (c) 22 & 23 Geo. 5. c. 8.

Provided that no drawback shall be allowable under this scheme in the case of any such sacks unless it is shown to the satisfaction of the Commissioners of Customs and Excise that those sacks have not been used otherwise than by being filled with salt for exportation.

2. The drawback shall be allowed in respect of the material aforesaid used in the manufacture of the sacks aforesaid and, subject to subsection (4) of section nine of the Finance Act, 1932 (which confines drawback to duty-paid material), shall be allowed in respect of 73 square yards of the material for every 100 sacks, being the average quantity of that material used by manufacturers in the manufacture of such sacks.

3. The rate of drawback shall be 3d. per square yard of the material aforesaid.

4. In the case of a smaller number of such sacks as aforesaid than one hundred, the quantity of the material aforesaid in respect of which drawback may be allowed, and the amount of the drawback, shall be calculated proportionately.

5. The drawback shall only be allowed in respect of such material as aforesaid of which entry under the Customs Acts on importation shall have been delivered, or which shall have been delivered from bonded warehouse, on or after the 14th day of August, nineteen hundred and fifty.

6. Subject to the last foregoing paragraph, the drawback shall be allowed for a period ending on the twenty-first day of December, nineteen hundred and fifty.*

EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

This Order allows until the 21st December, 1950, drawback in respect of certain imported material used for the manufacture of sacks of the description specified in the Schedule. The drawback is allowable on material imported before the coming into operation of the Order if the customs entry on its importation was delivered, or if it was removed from a bonded warehouse, on or after the 14th August, 1950.
