CUSTOMS AND EXCISE

The Import Duties (Egypt) (Reductions) Order 1974

Made - - -	21*st May* 1974
Laid before the House of Commons	7*th June* 1974
Coming into Operation	1*st July* 1974

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by sections 1, 3(6) and 13 of the Import Duties Act 1958(**a**), as amended (**b**), and of all other powers enabling them in that behalf, on the recommendation of the Secretary of State (**c**), hereby make the following Order:—

1.—(1) This Order may be cited as the Import Duties (Egypt) (Reductions) Order 1974 and shall come into operation on 1st July 1974.

(2) In this Order—

references to goods originating in Egypt are references to goods which

(*a*) are to be regarded under the Agreement, signed on 18th December 1972, between the European Economic Community and Egypt (**d**) as originating in Egypt or,

(*b*) being products of a class excluded from the scope of the Protocol to the said Agreement relating to origin of goods, are nevertheless goods of Egypt;

"the "M" rate" in relation to goods of any heading or subheading of the Customs Tariff 1959 means the rate which is shown in relation to such goods prefixed by the letter "M" in column 4 of Schedule 1 to the Import Duties (General) (No. 8) Order 1973(**e**), as amended (**f**), (being the rate applicable to goods satisfying the requisite conditions to benefit from the eventual abolition of customs duties in trade between Member States of the European Economic Community) except that "the "M" rate" in column 2 of Part II of Schedule 2 to this Order shall be taken as being nil in relation to any products or constituents there referred to if they are of a description specified in column 2 of Schedule 2 to the said Order of 1973;

the abbreviations used in the Schedules hereto (being those used in the Customs Tariff 1959) have the meanings given in Article 9(4) of the said Order of 1973, except that the abbreviation "w.i.g.", when applied to more than two rates of duty, means "whichever is the greatest".

(**a**) 1958 c. 6.

(**b**) *See* section 5(5) of, and paragraph 1 of Schedule 4 to, the European Communities Act 1972 (c. 68).

(**c**) *See* S.I. 1970/1537 (1970 III, p. 5293).

(**d**) The Agreement is annexed to Regulation (EEC) 2409/73 (O.J. No. L251, 7.9.73, p. 1).

(**e**) S.I. 1973/1845 (1973 III, p. 5609).

(**f**) The relevant amending Orders are S.I. 1973/2169 (1973 III, p. 7572) and S.I. 1974/166 (1974 I, p. 555).

(3) The Interpretation Act 1889(**a**) shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament and as if this Order and the Order hereby revoked were Acts of Parliament.

(4) This Order does not increase duties of customs otherwise than in pursuance of a Community obligation.

2. The Import Duties (Egypt) (Reductions) (No. 2) Order 1973(**b**) is hereby revoked.

3.—(1) Up to and including 31st December 1974, any import duty for the time being chargeable on goods of any heading or subheading of the Customs Tariff 1959 specified in column 1 of Part I of Schedule 1 hereto which are of a description specified in column 2 thereof shall be charged at the "M" rate instead of the full rate in the case of goods originating in Egypt:

Provided that, if a period of time is specified in column 2 of Part I of Schedule 1 hereto in relation to any goods, the reductions in duty provided for by this paragraph apply to such goods only during that period.

(2) Up to and including 31st December 1974, any import duty which is for the time being chargeable on goods of any heading or subheading of the Customs Tariff 1959 specified in Part II of Schedule 1 hereto shall be charged at the "M" rate instead of the full rate in the case of goods originating in Egypt.

4.—(1) Up to and including 31st December 1974, any import duty for the time being chargeable on goods of any subheading of the Customs Tariff 1959 specified in column 1 of Part I of Schedule 2 hereto which are of a description specified in column 2 thereof shall be charged at the rate specified in column 3 thereof in relation to the goods instead of the full rate in the case of goods originating in Egypt.

(2) Up to and including 31st December 1974, any import duty for the time being chargeable on goods of any heading or subheading of the Customs Tariff 1959 specified in column 1 of Part II of Schedule 2 hereto shall be charged at the rate, if any, specified in column 2 thereof in relation to the heading or subheading instead of the full rate in the case of goods originating in Egypt.

5. Any entry in column 2 of Part I of Schedule 1 or 2 to this Order (other than one covering a whole heading or subheading) shall be taken to comprise all goods which would be classified under an entry in the same terms constituting a subheading (other than the final subheading) in the relevant heading of the Customs Tariff 1959.

6.—(1) Articles 3 and 4 above shall operate without prejudice to any greater reductions in duty which may be available in the case of goods originating in Egypt apart from this Order by virtue of their being goods of a developing country.

(2) For the purposes of classification under the Customs Tariff 1959, insofar as that depends on the rate of duty, any goods to which Article 3 or 4 above applies shall be treated as chargeable with the same duty as if this Order had not been made.

James Hamilton,
T. Pendry,
Two of the Lords Commissioners of Her Majesty's Treasury.

21st May 1974.

(**a**) 1889 c. 63.

EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order, which comes into operation on 1st July 1974, revokes and replaces with a number of alterations the Import Duties (Egypt) (Reductions) (No. 2) Order 1973, which was made to implement obligations of the United Kingdom, concerning import duties in 1974, under the Agreement of 18th December 1972 between the European Economic Community (E.E.C.) and Egypt. The alterations provide, in pursuance of obligations under that Agreement, for the insertion or deletion of certain subheadings and for changes in duty.

In the case of goods specified in Schedule 1, the rate of import duty is reduced to the same as that chargeable on goods satisfying the requisite conditions to benefit from the eventual abolition of customs duties between Member States of the E.E.C. This is the rate prefixed by the letter "M" in column 4 of Schedule 1 to the Import Duties (General) (No. 8) Order 1973 (which sets out the United Kingdom Customs Tariff).

In the case of goods specified in Schedule 2, import duty is reduced to the rates specifically set out in column 2 or 3 of the Schedule and in a few cases there is complete exemption.

The reductions in duty made by this Order do not affect any entitlement to a greater reduction in duty which may be available in the case of goods of Egypt as goods of a developing country.
