Whereas alloys of metal, unwrought, in blocks, ingots, cakes, bars and slabs, containing more than 50 per cent. by weight of bismuth and more than 15 per cent. by weight of lead, are included in the First Schedule to the Import Duties Act, 1932(**a**), and accordingly are exempt from the provisions of section one of the Act:

And whereas the Treasury, after consultation with the appropriate department, are of opinion that the alloys specified in Article 1 of this Order (being alloys to which the exemption does not apply by reason that they do not contain more than 15 per cent. by weight of lead) ought also to be exempted from those provisions:

Now, therefore, the Lords Commissioners of His Majesty's Treasury, by virtue of the powers conferred on them by section one and subsection (5) of section nineteen of the Import Duties Act, 1932, by subsection (3) of section ten of the Finance Act, 1934(**b**), and by section one of the Import Duties (Emergency Provisions) Act, 1939(**c**), and of all other powers enabling them in that behalf, hereby make the following Order:—

1. There shall be added to the First Schedule to the Import Duties Act, 1932, as amended by the Import Duties (Exemptions Consolidation) Order, 1935(**d**), and by subsequent Orders, all alloys of metal, unwrought, in blocks, ingots, cakes, bars or slabs, containing more than 50 per cent. by weight of bismuth and not comprised in sub-paragraph (ii) of paragraph (8) of Group VII in that Schedule as so amended.

2. Accordingly sub-paragraph (ii) of paragraph (8) of Group VII in the said First Schedule as so amended, and the corresponding sub-paragraph in the Second Annex to the said Order of 1935 as amended by subsequent Orders, shall each be amended by leaving out the words " and more than 15 per cent. by weight of lead ".

3. This Order may be cited as the Import Duties (Exemptions) (No. 2) Order, 1950.

4. This Order shall come into operation on the 30th day of May, nineteen hundred and fifty.

Dated this 23rd day of May, 1950.
