The Import Duties (Exemptions) (No. 9) Order, 1950

1950 No. 1535

Made - - - -	14*th September*, 1950
Laid before the House of Commons	16*th September*, 1950
Coming into Operation	21*st September*, 1950

Whereas the Treasury, after consultation with the appropriate department, are of opinion that such ferro-silico-chromium as is mentioned in Article 1 of this Order ought to be exempted from the provisions of section one of the Import Duties Act, 1932(a):

Now, therefore, the Lords Commissioners of His Majesty's Treasury, by virtue of the powers conferred on them by section one and subsection (5) of section nineteen of the Import Duties Act, 1932, by subsection (3) of section ten of the Finance Act, 1934(b), and by section one of the Import Duties (Emergency Provisions) Act, 1939(c), and of all other powers enabling them in that behalf, hereby make the following Order:—

1. There shall be added to the First Schedule to the Import Duties Act, 1932, the following goods, namely:—

Ferro-silico-chromium containing not less than 20 per cent. of silicon and not less than 10 per cent. of chromium.

2. Accordingly in the said Schedule, as amended by the Import Duties (Exemptions Consolidation) Order, 1935(d), and by subsequent Orders, and in the Second Annex to the said Order of 1935, as amended by subsequent Orders, there shall be added at the end of paragraph (5) of Group VII the following sub-paragraph:—

"(vi) Ferro-silico-chromium containing not less than 20 per cent. of silicon and not less than 10 per cent. of chromium."

3. This Order may be cited as the Import Duties (Exemptions) (No. 9) Order, 1950.

4. This Order shall come into operation on the twenty-first day of September, nineteen hundred and fifty.

Dated this fourteenth day of September, 1950.

H. W. Bowden,
Charles Royle,
Two of the Lords Commissioners of His Majesty's Treasury.

EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

This Order exempts from duty under the Import Duties Act, 1932, ferro-silico-chromium containing not less than 20 per cent. of silicon and not less than 10 per cent. of chromium.
