1. The Schedule to the Import Duties (General) (No. 3) Order 1961(b) (which Schedule by reference to the Customs Tariff 1959 sets out the import duties chargeable under the Import Duties Act 1958 and is hereafter referred to in this Order as "the principal Schedule"), as amended by subsequent Orders under that Act(c), shall be further amended in accordance with the following provisions of this Order.

In the case of goods of any heading or sub-heading specified in column 1 of Schedule 1 to this Order for the rate of duty specified in column 2 of the principal Schedule (full rates) and for any rate of duty specified in column 3 of that Schedule (Commonwealth preference rates) there shall be substituted the rates of duty respectively specified in columns 2 and 3 of the said Schedule 1 (the new rates being respectively the full rates and Commonwealth preference rates as reduced in accordance with the Geneva agreements).

3.—(1) Any rate of duty in column 4 of the principal Schedule (rates of duty chargeable in the case of goods of Convention area origin) which is less than the corresponding rate in column 2 of the principal Schedule shall be reduced by one sixth (being a reduction made in accordance with the European Free Trade Association Convention), but the foregoing provision shall not apply to a rate of duty in the said column 4 which is reduced by some other provision of this Order.

(2) In the case of goods of any heading or sub-heading specified in column 1 of Schedule 2 to this Order, for any rate of duty in column 4 of the principal Schedule there shall be substituted the rate of duty specified in column 2 of the said Schedule 2 (the new rates being the Convention area rates as reduced in accordance with the said Convention by one sixth and being the rates applicable to certain goods specified in Schedule 1 to this Order).

(2) There shall also be made in any heading so amended all such alterations in the numbering of the sub-headings as will allow of any change in their numbering under this Order, but any reference in this Order to a sub-heading shall be taken as a reference to that sub-heading as numbered immediately before the coming into operation of this Order.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order reduces as from 31st October 1962—

(1) the full rate of import duty (and proportionately the Commonwealth preferential rate) on certain goods in accordance with the undertakings given by the United Kingdom at Geneva and set out in the July 1962 Protocol to the General Agreement on Tariffs and Trade;

(2) the rates of import duty on the goods to which the E.F.T.A Convention applies.

The E.F.T.A. reduction is of one sixth of the current Convention rates of duty except in those cases where the rate is specially reduced under Article 3 (3) and (4) and in certain cases where a concession made in the G.A.T.T. undertakings has resulted in new or amended sub-headings in the Customs Tariff.

Schedule 1 to the Order sets out the headings and sub-headings where, under the G.A.T.T. undertakings, a change in the full or Commonwealth rate of duty only is involved.

Schedule 2 sets out the headings and sub-headings with the E.F.T.A. rates of duty which cannot now be conveniently expressed as a fraction of the full rate in the Schedule to the Import Duties (General) (No. 3) Order 1961.

Schedule 3 sets out the sub-headings where particular E.F.T.A. rates of duty apply.

Schedule 4 sets out the sub-headings where, consequent upon the G.A.T.T. undertakings, amendment of the text as well as of the rates of duty is involved.
