EXPLANATORY NOTE

(This Note is not part of the Order)

This Order—

(1) amends heading 58.07 of the Customs Tariff in conformity with a corrigendum to the English text of the Brussels Nomenclature approved by the Customs Co-operation Council to make it clear that flock chenille yarn is covered by heading 58.07;

(2) introduces a subheading for certain telemetering instruments and apparatus under heading 90.28 of the Customs Tariff. Following a Classification Opinion of the Customs Co-operation Council these goods, which were formerly classified under Chapter 85 of the Tariff at rates of duty of 16% or 17½% ad valorem, are now classifiable under heading 90.28. But for this Order, the reclassification would have raised the rate of duty to 25% ad valorem. The Order prescribes a rate of 16% ad valorem for all the goods concerned.
