Goods the subject of this Order are products covered by the common organisation of the market in wine originating in Greece and will become chargeable at the full rate of import duty provided for in the Import Duties (General) (No. 5) Order 1975 (S.I. 1975/1744) instead of being chargeable at whichever is the lower of that rate or the full rate of duty chargeable in the United Kingdom on 1st January 1972 (the S rate). There is little or no trade in the goods in question.
