EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order, which comes into operation on 1st July 1975, implements Community obligations of the United Kingdom, concerning import duties in 1975, in respect of goods of Israel.

The Order (Article 2) deletes the reference to Israel in the Import Duties (Certain Mediterranean Countries) (Reductions and Exemptions) Order 1973, as amended, under which goods of Israel were exempted from increases in the full rate of duty applying from 1st January 1975 under the Import Duties (General) (No. 5) Order 1974.

In the case of goods specified in Schedule 1, the rate of import duty is reduced to the same as that chargeable on goods satisfying the requisite conditions to benefit from the eventual abolition of customs duties between member States of the EEC. This is the rate prefixed by the letter "M" in column 4 of Schedule 1 to the Import Duties (General) (No. 5) Order 1974 (which sets out the United Kingdom Customs Tariff).

In the case of goods of a tariff subheading specified in Schedule 2 to the Order import duty is reduced to the rates specifically set out in column 2 or 3 of the Schedule.
