The Import Duties (Temporary Exemptions) (No. 1) Order, 1958

Made - - - -	*9th December*, 1958
Laid before the House of Commons	*12th December*, 1958
Coming into Operation	*1st January*, 1959

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by subsection (6) of section three and section thirteen of the Import Duties Act, 1958(a), and of all other powers enabling them in that behalf, on the recommendation of the Board of Trade hereby make the following Order:—

1.—(1) Until the beginning of the first day of October, nineteen hundred and fifty-nine, or of such earlier date, if any, in the case of any goods as is specified in relation to them in the Schedule to this Order, any import duty which is for the time being chargeable on goods of a heading of the Customs Tariff, 1959, specified in that Schedule shall not be chargeable in respect of goods of any description there specified in relation to that heading:

Provided that for purposes of classification under the Customs Tariff, 1959, in so far as that depends on the rate of duty, any such goods shall be treated as chargeable with the same duty as if this Order had not been made.

(2) Any entry in the second column in the Schedule to this Order is to be taken to comprise all goods which would be classified under an entry in the same terms in the relevant heading in the Customs Tariff, 1959.

2.—(1) This Order may be cited as the Import Duties (Temporary Exemptions) (No. 1) Order, 1958.

(2) The Interpretation Act, 1889(b), shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

(3) This Order shall come into operation on the first day of January, nineteen hundred and fifty-nine.

Dated this ninth day of December, 1958.
