Made - - - -	17*th December* 1963
Laid before the House of Commons - -	23*rd December* 1963
Coming into Operation	1*st January* 1964

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by sections 3(6) and 13 of the Import Duties Act 1958(a), and of all other powers enabling them in that behalf, on the recommendation of the Board of Trade hereby make the following Order:—

1.—(1) Until the beginning of 1st January 1965 or, in the case of any goods in relation to which some earlier day is specified in Schedule 1 to this Order, until the beginning of that day, any import duty which is for the time being chargeable on goods of a heading of the Customs Tariff 1959 specified in that Schedule shall not be chargeable in respect of goods of any description there specified in relation to that heading.

(2) In the said Schedule 1—

(*a*) a reference to I.U.P.A.C. numbering, in relation to a compound having a ring structure, is to be taken as a reference to the system of numbering such compounds specified in the rules of the International Union of Pure and Applied Chemistry;

(*b*) an item marked with an asterisk is an item not exempt from import duty at the date of this Order;

(*c*) an item marked with a dagger is an item appearing under a revised description, the corresponding description under which exemption from import duty was allowed at the date of this Order being given in column 3 of Schedule 2 to this Order.

(3) Any entry in column 2 in the said Schedule 1 is to be taken to comprise all goods which would be classified under an entry in the same terms in the relevant heading in the Customs Tariff 1959.

(4) For the purposes of classification under the Customs Tariff 1959, in so far as that depends on the rate of duty, any goods to which paragraph (1) of this Article applies shall be treated as chargeable with the same duty as if this Order had not been made.

2. Until the beginning of 1st January 1965, goods of sub-heading No. 39.03(A)(2)(*b*) of the Customs Tariff 1959 (which comprises photographic, including cinematograph, film base of cellulose acetate) shall not be chargeable with import duty to an amount greater than ten per cent. of their value.

(a) 6 & 7 Eliz. 2. c. 6.

3. The Import Duties (Temporary Exemptions) Orders specified in Schedule 3 to this Order are hereby revoked (being Orders the combined effect of which this Order, except as indicated in paragraph (2)(*c*) of Article 1 above, reproduces or being Orders which have become spent).

4.—(1) This Order may be cited as the Import Duties (Temporary Exemptions) (No. 11) Order 1963.

(2) The Interpretation Act 1889(a), shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

(3) This Order shall come into operation on 1st January 1964.

EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

This Order provides that the goods listed in Schedule 1 shall be temporarily exempted from import duty until 1st January 1965, unless a shorter period is indicated against any item. Goods which were not exempt from import duty at the date of this Order are marked with an asterisk.

The partial exemption for photographic film base of cellulose acetate is also continued until 1st January 1965.

The Order also, in continuing the exemption of certain chemical compounds, revises their description. These compounds are marked with a dagger in Schedule 1 and the former descriptions are given in Schedule 2.
