Made - - - -	*26th September*, 1961
Laid before the House of Commons	*29th September*, 1961
Coming into Operation	*1st October*, 1961

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by subsection (6) of section three and section thirteen of the Import Duties Act, 1958(a), and of all other powers enabling them in that behalf, on the recommendation of the Board of Trade hereby make the following Order:—

1.—(1) Until the beginning of the first day of January, nineteen hundred and sixty-three or, in the case of any goods in relation to which some other day is specified in the First Schedule to this Order, until the beginning of that day, any import duty which is for the time being chargeable on goods of a heading of the Customs Tariff, 1959, specified in that Schedule shall not be chargeable in respect of goods of any description there specified in relation to that heading.

(2) The period for which the goods of the headings of the Customs Tariff, 1959, and descriptions specified in the Second Schedule to this Order are exempt from import duty shall be extended or further extended until the beginning of the first day of January, nineteen hundred and sixty-three, or, in the case of goods in relation to which some other day is specified in that Schedule, until the beginning of that day.

(3) Any entry in the second column of the Second Schedule to this Order which is specified in the second column of the Third Schedule to this Order shall be construed as comprising only goods which would be comprised therein if the entry were in the terms specified in relation thereto in the third column of the said Third Schedule, but the exemption conferred by the foregoing paragraph shall extend to all goods which would be so comprised.

(4) Subject to the foregoing paragraph, any entry in the second column in the First or Second Schedule to this Order or in the Third Schedule thereto is to be taken to comprise all goods which would be classified under an entry in the same terms in the relevant heading in the Customs Tariff, 1959.

(5) For the purposes of classification under the Customs Tariff, 1959, in so far as that depends on the rate of duty, any goods to which paragraph (1) or (2) of this article applies shall be treated as chargeable with the same duty as if this Order had not been made.
