Made - - - -	18*th December* 1962
Laid before the House of Commons	21*st December* 1962
Coming into Operation	1*st January* 1963

The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by sections 3 (6) and 13 of the Import Duties Act 1958(a), and of all other powers enabling them in that behalf, on the recommendation of the Board of Trade hereby make the following Order:—

1.—(1) Until the beginning of 1st January 1964 or, in the case of any goods in relation to which some other day is specified in Schedule 1 to this Order, until the beginning of that day, any import duty which is for the time being chargeable on goods of a heading of the Customs Tariff 1959 specified in that Schedule shall not be chargeable in respect of goods of any description there specified in relation to that heading.

(2) The period for which the goods of the headings of the Customs Tariff 1959 and descriptions specified in Schedule 2 to this Order are exempt from import duty shall be extended or further extended until the beginning of 1st January 1964, or, in the case of goods in relation to which some other day is specified in that Schedule, until the beginning of that day.

(3) Any entry in the second column of Schedule 2 to this Order which is specified in the second column of Schedule 3 to this Order shall be construed as comprising only goods which would be comprised therein if the entry were in the terms specified in relation thereto in the third column of the said Schedule 3, but the exemption conferred by the foregoing paragraph shall extend to all goods which would be so comprised.

(4) Subject to the foregoing paragraph, any entry in the second column in Schedule 1 or 2 to this Order or in the second or third column in Schedule 3 thereto is to be taken to comprise all goods which would be classified under an entry in the same terms in the relevant heading in the Customs Tariff 1959.

(5) For the purposes of classification under the Customs Tariff 1959, in so far as that depends on the rate of duty, any goods to which paragraph (1) or (2) of this article applies shall be treated as chargeable with the same duty as if this Order had not been made.

2. Until the beginning of 1st January 1964, goods of subheading No. 39.03 (A) (2) (*b*) of the Customs Tariff 1959 (which comprises photographic including cinematograph, film base of cellulose acetate) shall not be chargeable with import duty to an amount greater than ten per cent. of their value.
