EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order provides for exemption from, or reduction in, import duty in the case of goods specified in Schedule 1 or 2 to this Order as from 1st January 1976 to 30th June 1976 or, in the case of goods in Schedule 1, to the earlier dates there specified.

There is exemption from import duties in the case of all goods in Schedule 1 if the goods satisfy the requisite conditions to benefit from the eventual abolition of customs duties in trade between member States of the European Communities.

In the case of goods in Schedule 1 or 2 not satisfying those conditions, where a rate of import duty is specified in column 3 the duty is reduced to that rate instead of any higher rate which would otherwise apply and where "free" appears in column 3 in relation to the goods, they are exempt from import duty.

In the case of goods in Schedule 1 or 2 of the Commonwealth preference area or originating in Cyprus, Egypt, Greece, Morocco, Tunisia or Turkey exemptions from and reductions to lower rates of import duty are available in certain cases, such exemptions or reduced rates being shown in columns 4 to 9 of Schedule 1 or 2.

Goods specified in Schedule 1 or 2 to this Order are subject to whole or partial suspension of duty in the Common Customs Tariff of the European Economic Community and the exemptions and reductions in this Order are made in accordance with the United Kingdom's Community obligations.
