EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order, which comes into operation on 1st July 1974, replaces with amendments Schedules 2 and 3 to the Import Duties (Turkey) (Reductions and Exemptions) Order 1973, which implemented obligations of the United Kingdom, concerning import duties in 1974, under the Interim Agreement of 30th June 1973 between the European Economic Community (E.E.C.) and Turkey consequent on the Accession of new Member States to the Community. The amendments provide for reductions in duty on items not included in the Order of 1973 and for reductions on certain items in the Schedules to the Order of 1973.

In the case of goods specified in the new Schedule 2 to the Order of 1973, (as set out in Part I of the Schedule to this Order), the rate of duty is reduced to the same as that chargeable on goods satisfying the requisite conditions to benefit from the eventual abolition of customs duties between Member States of the E.E.C. This is the rate shown prefixed by the letter "M" in column 4 of Schedule 1 to the Import Duties (General) (No. 8) Order 1973 (S.I. 1973/1845) (which sets out the United Kingdom Customs Tariff). In the case of goods specified in the new Schedule 3 to the Order of 1973 (as set out in Part II of the Schedule to this Order), import duty is reduced to the rates specifically set out in column 3 of the Schedule.
