(4) Subject to Article 3(1) below, any import duty for the time being chargeable on goods which fall within a heading or subheading specified in column 1 of Schedule 3 hereto shall be charged at the rate specified in column 3 thereof in relation to the goods instead of the full rate in the case of goods originating in Turkey.

3.—(1) Where a period of time or a description of goods is specified in column 2 of Schedule 2 or 3 hereto in relation to any subheading, the reductions in duty provided for in relation to that subheading by Article 2 above shall apply only during that period or to goods of that description, as the case may be.

(2) Any description of goods in column 2 of Schedule 2 or 3 hereto shall be taken to comprise all goods which would be classified under an entry in the same terms constituting a subheading in the relevant heading in the Customs Tariff 1959.

(3) Where any import duty for the time being chargeable on any goods has been removed or reduced by a directly applicable Community provision the import duty shall, to the extent of that removal or reduction, not be regarded as removed or reduced by virtue of this Order and the reference to it in the Schedules hereto shall be treated as merely indicative of the rate of import duty payable in respect of the goods.

EXPLANATORY NOTE

(This Note is not part of this Order.)

This Order, which comes into operation on 1st January 1976, implements obligations of the United Kingdom, concerning import duties after the end of 1975, in respect of goods of Turkey under the Interim Agreement of 30th June 1973 between the European Economic Community (EEC) and Turkey consequent on the Accession of new member States to the Community.

In the case of goods specified in Schedule 1 to this Order, there is exemption from import duty. In the case of goods specified in Schedule 2 the rate of import duty is reduced to the same as that chargeable on goods satisfying the requisite conditions to benefit from the eventual abolition of customs duties between member States of the EEC; this is the rate prefixed by the letter "M" in column 4 of Schedule 1 to the Import Duties (General) (No. 5) Order 1975 (which sets out the United Kingdom Customs Tariff). In the case of goods specified in Schedule 3 import duty is reduced to the rates specifically set out in column 3 of that Schedule.
