EXPLANATORY NOTE

(This Note is not part of these Rules, but is intended to indicate their general purport.)

The purpose of these Rules is to provide for the aggregation of service and a single superannuation award for civil servants who transfer within the prescribed period from established service in the Jersey Civil Service to established posts in the United Kingdom Civil Service and vice versa. Those who transfer can reckon the whole of their service for pension under the superannuation system to which they transfer, subject to the payment of transfer values (calculated on tables approved by the Treasury) by the previous employer in respect of the former service.

Under the express powers of section 2 of the Superannuation (Miscellaneous Provisions) Act, 1948 (under which the Rules are made) the Rules will apply to transfers between the Jersey Civil Service and the United Kingdom Civil Service on and after 29th October, 1949 (the date of the introduction of the Jersey Civil Service Pension Scheme) provided that the person affected has not ceased to be employed in the service to which he has transferred and that the Civil Service Board of the States of Jersey or the Treasury, as the case may be, consent.
