EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport.)

These Rules amend the Indian Military Service Family Pension Fund Rules under which pensions are payable out of the income and capital of the Fund to the widows and orphans of subscribers.

Under the Rules, as amended in 1949, widows and orphans who became entitled to pensions after 4th June 1949 have been restricted to lower rates of pension than those who became entitled before that date. These lower rates were increased on a temporary basis by an amendment made in 1951: the purpose of the present amendment is to provide for a further increase, also on a temporary basis.
