INDUSTRIAL TRAINING

The Industrial Training (Furniture and Timber Industry Board) Order 1969

Made - - -	10*th September* 1969
Laid before Parliament	22*nd September* 1969
Coming into Operation	24*th September* 1969

The Secretary of State after consultation with the Furniture and Timber Industry Training Board and with organisations and associations of organisations appearing to be representative respectively of substantial numbers of employers engaging in the activities hereinafter mentioned and of substantial numbers of persons employed in those activities and in exercise of her powers under section 9 of the Industrial Training Act 1964(**a**) and of all other powers enabling her in that behalf hereby makes the following Order :—

Citation, commencement and interpretation

1.—(1) This Order may be cited as the Industrial Training (Furniture and Timber Industry Board) Order 1969 and shall come into operation on 24th September 1969.

(2) In this Order—

(*a*) "the Act" means the Industrial Training Act 1964 ;

(*b*) "the Board" means the Furniture and Timber Industry Training Board ;

(*c*) "Levy Order" includes the Industrial Training Levy (Furniture and Timber) Order 1966(**b**), the Industrial Training Levy (Furniture and Timber) Order 1968(**c**) and the Industrial Training Levy (Furniture and Timber) Order 1969(**d**) ;

(*d*) "the principal Order" means the Industrial Training (Furniture and Timber Industry Board) Order 1965(**e**).

(3) The Interpretation Act 1889(**f**) shall apply to the interpretation of this Order as it applies to the interpretation of an Act of Parliament and as if this Order and the principal Order were Acts of Parliament.

(**a**) 1964 c. 16.
(**b**) S.I. 1966/1437 (1966 III, p. 3793).
(**c**) S.I. 1968/1034 (1968 II, p. 2732).
(**d**) S.I. 1969/820 (1969 II, p. 2317).
(**e**) S.I. 1965/2028 (1965 III, p. 5998).
(**f**) 1889 c. 63.

Activities of the Board

2. The activities in relation to which the Board exercises the functions conferred by the Act upon industrial training boards shall, in lieu of the activities specified in Schedule 1 to the principal Order, be the activities specified in the Schedule to this Order, and accordingly in the principal Order the latter Schedule shall be substituted for the former Schedule.

Transitional Provisions

3.—(1) The chairman and other members of the Board on the day upon which this Order comes into operation shall continue to be members of the Board and to hold and vacate their offices in accordance with the terms of the instruments appointing them to be members.

(2) The provisions of this Order shall not—

(*a*) extend the operation of a Levy Order;

(*b*) affect the operation of a Levy Order in relation to the assessment of an employer within the meaning of that Order in respect of an establishment that was engaged in the relevant levy period wholly or mainly in activities included in the Schedule to this Order;

(*c*) affect the operation of any assessment notice served by the Board under the provisions of a Levy Order before the date upon which this Order comes into operation or any appeal or other proceedings arising out of any such notice.

10th September 1969.

Barbara Castle,

First Secretary of State and Secretary of State for Employment and Productivity.

SCHEDULE

Article 2

The Furniture and Timber Industry

1. Subject to the provisions of this Schedule, the activities of the furniture and timber industry are the following activities in so far as they are carried out in Great Britain:—

(*a*) the felling of trees;

(*b*) the preparation of timber;

(*c*) the conversion of logs or prepared timber into baulks, deals, battens, boards, planks, poles, props, sleepers or other sawn sections or the drying of sawn sections;

(*d*) any operations whereby wood is planed, dressed, tongued, grooved, matched, beaded, V-jointed, moulded, dried, seasoned, soaked, steamed or treated with any preservative;

(*e*) the manufacture of battenboard, blockboard, laminboard, particle board, plywood, veneer, wood flour or wood wool;

(*f*) dealing in, or storing, wood, battenboard, blockboard, fibre building board, laminboard, particle board, plywood or veneer ;

(*g*) the application of any form of chemical treatment to wood for preventing or remedying the presence of insects, mites, fungi or marine organisms ;

(*h*) the manufacture of matches or matchboxes ;

(*i*) the manufacture of any articles (including parts and components) wholly or mainly from wood, battenboard, blockboard, fibre building board, laminboard, particle board, plywood, veneer, cane, osier, willow, wicker, straw, rushes, reeds or cork or from any combination of those materials, or the repair of any such articles ;

(*j*) the manufacture, repair or tuning of pianofortes or other stringed keyboard instruments or of organs or organ pipes ;

(*k*) the manufacture or repair of articles of furniture, billiard tables, cabinets for radio or television sets or for radiograms, or cabinets of any other kind, not being manufacture or repair mainly by an engineering process ;

(*l*) the manufacture or repair of containers or cases for, or forming part of, musical instruments, not being containers or cases wholly or mainly of leather, metal or woven fabric ;

(*m*) the manufacture of springs or spring units, being products for use in mattresses, in beds, divans, divan bases or other furniture or in seating of any kind ;

(*n*) the upholstering or re-upholstering of furniture ;

(*o*) the manufacture, re-making or repair of bolsters, cushions, pillows, mattresses, divans or upholstered divan bases ;

(*p*) the manufacture of quilted panels for mattresses ;

(*q*) the manufacture or preparation of any filling (including feathers and down) for bolsters, cushions, pillows, quilts, quilting, mattresses, divans, upholstered divan bases or other furniture, or for seating of any kind ;

(*r*) the making or fixing of curtains, or of loose covers for furniture or for seating of any kind ;

(*s*) the planning, making-up or laying of carpets and other floor coverings ;

(*t*) the manufacture of painters' rollers or of brushes (not being carbon brushes) or brooms or, for the purpose of the manufacture of such brushes or brooms, the drafting, dressing or mixing of animal hair, natural bristle, bass, whisk or similar fibres ;

(*u*) the manufacture of fishing rods or golf clubs ;

(*v*) the manufacture, from the waste or residues of animals, of strings for sports racquets ;

(*w*) any activities (other than those above mentioned) being—

(i) related activities incidental or ancillary to principal activities of the furniture and timber industry ; or

(ii) activities undertaken in the administration, control or direction of one or more establishments, being establishments engaged wholly or mainly in principal activities of that industry, in related activities incidental or ancillary thereto, or in the administration, control or direction of one or more other establishments engaged in such principal or related activities ;

and carried out, in either case, by the employer engaged in those principal activities or, where that company is a company, by the company or by an associated company of the company ;

(*x*) any activities of industry or commerce (other than furniture and timber activities) carried out at or from an establishment mainly engaged

(i) in furniture and timber activities ; or

(ii) in furniture and timber activities and in activities described in the Appendix to this Schedule, but to a greater extent in furniture and timber activities than in activities described in that Appendix in relation to any one industry.

2. Notwithstanding anything contained in this Schedule, there shall not be included in the activities of the furniture and timber industry:—

(*a*) the activities of any establishment engaged—

(i) mainly in activities not being furniture and timber activities or activities described in the Appendix to this Schedule ; or

(ii) to a less extent in furniture and timber activities than in activities described in that Appendix in relation to any one industry ;

(*b*) the activities of any establishment engaged wholly or mainly in related activities, being activities—

(i) incidental or ancillary to the activities of one or more establishments (in this sub-paragraph hereafter referred to as "the principal establishment") engaged wholly or mainly in any activities not being principal activities of the furniture and timber industry ; and

(ii) carried out by the employer carrying on the principal establishment or, where that employer is a company, by the company or by an associated company of the company ;

(*c*) the activities of any establishment engaged wholly or mainly in one or more activities of a kind specified in an entry in the second column of the next following Table (being activities undertaken in relation to all or any of the products comprised in the group specified in the corresponding entry in the third column of that Table) or in two or more of such entries:

24.	Manufacture.	Headgear.
25.	Manufacture.	Tools, not being brushes.
26.	Manufacture.	Toys and games.
27.	Production.	Charcoal and charcoal products.
28.	Production.	Firewood blocks and kindling wood.
29.	Pulping or grinding (otherwise than for the production of wood flour).	Wood.
30.	Manufacture or repair.	Folding push-cars and perambulators.

(*d*) the activities of any establishment engaged wholly or mainly as follows—

(i) in building or civil engineering work, not being activities to which paragraph 1(*g*) of this Schedule applies ;

(ii) in agriculture or horticulture or in forestry ;

(iii) in the transplanting, topping, lopping, taking down, pruning or spraying of trees or the trimming or laying of hedges being activities undertaken mainly in private gardens or in suburban areas ;

(iv) in public warehousing ;

(v) in banking, finance or insurance ; or

(vi) as shipping and forwarding agents ;

(*e*) the activities of—

(i) the Electricity Council, the Central Electricity Generating Board or an Area Electricity Board ;

(ii) the North of Scotland Hydro-Electric Board or the South of Scotland Electricity Board ;

(iii) the Gas Council or an Area Gas Board ;

(iv) a harbour authority when acting in that capacity ;

(v) a local authority or a joint board or joint committee of such authorities ; or

(vi) statutory water undertakers within the meaning of the Water Act 1945(**a**) or regional water boards or water development boards within the meaning of the Water (Scotland) Act 1967(**b**), being the activities of such undertakers or boards in the exercise of their powers or duties as such ;

(*f*) the activities of any company, association or body that is required by its constitution to apply its profits, if any, or other income in promoting its objects and is prohibited thereby from paying any dividend to its members, and that has for its sole or principal object or among its principal objects the provision of facilities for any of the purposes mentioned in section 15(1) of the Disabled Persons (Employment) Act 1944(**c**) (which relates to the provision for registered persons who are seriously disabled of work or training) ;

(*g*) any work, occupation or training that is provided in accordance with arrangements made by a local authority under the Disabled Persons (Employment) Act 1958(**d**) or any other enactment that authorises or requires the provision of arrangements for persons suffering from illness, severe physical defect or disability or from mental disorder, or for persons who have been suffering from illness or whose care is undertaken with a view to preventing them from becoming ill, or for old people ;

(*h*) dock work performed by a registered dock worker ; or

(*i*) the supply of food or drink for immediate consumption.

3. In this Schedule unless the context otherwise requires—

"agriculture or horticulture" includes orchard grubbing, fruit growing and the use of land as osier land, market gardens or nursery grounds ;

"aircraft" means any heavier than air aircraft ;

"building or civil engineering work" means any operations in—

(*a*) the construction, alteration, repair or demolition of a building or part of a building or of an erection in the nature of a building ;

(*b*) the construction or demolition of a railway-line, siding or monorail ;

(**a**) 1945 c. 42.
(**b**) 1967 c. 78.
(**c**) 1944 c. 10.
(**d**) 1958 c. 33.

(*c*) the construction, structural alteration, repair or demolition of any aerodrome, airport, bridge, road, viaduct, dock, harbour, pier, quay, wharf, coast protection, river or drainage work, aqueduct, canal, inland navigation, reservoir, waterworks, bore-hole, well (other than an oil well), filter bed, sewage works, sewer, cooling tower or pond, tunnel, heading, adit, chimney, furnace, carbonising or gas-making plant, nuclear or thermal power station, hydro-electric station, electric line or any structure designed for its support, cable trench or duct, oil refinery, pipe-line or defence installation ;

(*d*) the sinking of a shaft or bore-hole in a mine of coal, stratified ironstone, shale or fireclay, or the construction of a road below ground in such a mine ;

(*e*) the construction or repair of a swimming pool or other bathing place, or of a playing field or ground for sporting or recreational purposes, or the laying out of a cemetery ;

(*f*) the preparation of the site or the laying down of a foundation or substructure in connection with any operations above mentioned in this definition or with the erection of structural metalwork ;

(*g*) the working of coal by opencast operations or the screening, washing or other preparation of coal on the site of opencast workings ; or

(*h*) the restoration of land affected by the working of coal by opencast operations, or of land which has been excavated in the course of winning or working ironstone by opencast operations ;

"carpets and other floor coverings" means carpets, carpeting, felt base floor covering, linoleum, matting, mats, rugs, or any similar floor coverings, and for the purposes of this definition "felt base floor covering" means any floor covering made from bitumen saturated grey felt paper that is paint-coated and finished with an enamel paint or plastics surface ;

"company" includes any body corporate, and "subsidiary" has the same meaning as by virtue of section 154 of the Companies Act 1948(**a**) it has for the purposes of that Act ;

"contractors' plant" means machinery, plant or equipment of a kind used or intended for use in operations on the site of any building or civil engineering work ;

"dealing" means by way of business and in the capacity of principal, agent or broker—

(*a*) in relation to products situate in Great Britain, buying or selling such products ;

(*b*) in relation to products situate elsewhere, importing such products into Great Britain ;

"dock work" and "registered dock worker" have the same meanings as in the Docks and Harbours Act 1966(**b**) ;

"engineering process" means any one or more of the following and any similar processes when applied to metal, that is to say—

(*a*) machining, grinding or bevelling ;

(*b*) casting, forging, stamping, pressing, piercing or bending ;

(*c*) sheet metal working, blacksmithing, welding or soldering ;

(*d*) stove enamelling ;

"forestry" means planting, re-planting or management of land as a wood or forest, and includes the use of land for a woodland nursery ;

(**a**) 1948 c. 38. (**b**) 1966 c. 28.

"furniture" means furniture of a type commonly used for bank, church, domestic, educational, garden, hospital, laboratory or office purposes, whether or not supplied for those purposes and whether designed to be free-standing or to be fixed to a building, but does not include—

(*a*) awnings or inside or outside window blinds ;

(*b*) clocks or any instruments for recording atmospheric pressure or temperature ;

(*c*) household textiles whether or not containing filling ;

(*d*) pictures ;

(*e*) netting ;

(*f*) tapestries ;

"furniture and timber activities" means any one or more of the principal activities of the furniture and timber industry and the activities included in that industry by virtue of paragraph 1(*w*) of this Schedule ;

"harbour authority" means a harbour authority within the meaning of the Harbours Act 1964(**a**) ;

"knitted articles" and "knitted fabric" mean respectively articles and fabric manufactured on a warp-knitting, weft-knitting or crocheting machine ;

"manufacture" includes assembly and any process or operation incidental or appertaining to manufacture or assembly ;

"office premises" has the same meaning as in section 1(2) of the Offices, Shops and Railway Premises Act 1963(**b**) ;

"organs" means musical instruments consisting of a number of pipes supplied with wind or compressed air by means of bellows and sounded by means of keys ;

"paper" means any sheet or continuous web of material (including paperboard, fibreboard and fibre building board) made by the deposition of fibres of any kind from a suspension in a liquid or gas, with or without the addition of any other substance ;

"paper products" means any products that consist wholly or mainly of paper (not being fibre building board) or that are manufactured wholly or mainly from paper pulp or from used or waste paper ;

"particle board" includes wood chipboard, flaxboard and bagasse board ;

"plastics material" means any material made wholly or mainly by addition, polyaddition, condensation, polycondensation, polymerisation, copolymerisation, esterification or other similar chemical process, or regenerated or modified cellulose, or hardened proteins or natural resin modified by fusion or esterification ;

"preparation" in relation to timber means any operations whereby felled or fallen timber is barked, peeled, cleft, sliced, hewn, sawn, cross-cut, linear machined, dried, seasoned, soaked, steamed or treated with preservative, and "prepared timber" means timber that has undergone any such preparation ;

"principal activities of the furniture and timber industry" means activities which, subject to the provisions of paragraph 2 of this Schedule, are specified in paragraph 1, other than sub-paragraphs (*w*) and (*x*) thereof, as activities of the furniture and timber industry ;

"processing" in relation to rubber or plastics material means any of the following operations, that is to say, masticating, compounding, mixing, calendering,

(**a**) 1964 c. 40. (**b**) 1963 c. 41.

extruding, moulding, pressing, thermoforming, blowing, casting, dipping, coating, encapsulating, heat sealing, laminating, filament winding, machining (other than stitching), cutting, vulcanising or foaming;

"production" includes any process or operation incidental or appertaining to production;

"public warehousing" means keeping any premises wholly or mainly for the purposes of the storage of any products for reward for persons other than the occupier or, where the occupier is a company, for persons other than the company or an associated company of the company;

"related activities" means any of the following activities, that is to say—

(*a*) research, development, design or drawing;

(*b*) buying, selling, letting out on hire, testing, advertising, packing, distribution, transport or any similar operations;

(*c*) operations of a kind performed at office premises or laboratories, or at stores, warehouses or similar places;

(*d*) cleaning, washing or garaging vehicles, or carrying out running repairs or minor adjustments thereto;

(*e*) training of employees or apprentices;

"repair" includes all or any of the operations of repair, repolishing, reconditioning, modification, alteration or conversion or the replacement of a part, but in relation to vehicles does not include cleaning or washing or carrying out running repairs or minor adjustments thereto;

"selling by retail" in relation to furniture means selling furniture by way of business to a person buying otherwise than for the purpose of re-sale;

"ships" includes any description of ship, vessel, boat or other floating craft, but does not include a hovercraft;

"timber" means trees of any kind either felled or fallen;

"toys and games" does not include sports requisites or coin or disc operated machines;

"vehicle bodies" includes motorcycle sidecars and bodies for caravans;

"wood" means wood of any kind (other than firewood or kindling wood) whether it is in the rough or has undergone any conversion or preparation but does not include—

(*a*) bark;

(*b*) cork;

(*c*) paper or paperboard;

(*d*) wood pulp;

(*e*) sawdust, wood chips, wood flour, wood shavings, wood wool or other ligneous waste.

4. For the purposes of this Schedule two companies shall be taken to be associated companies if one is a subsidiary of the other or both are subsidiaries of a third company, and "associated company" shall be construed accordingly.

EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order re-defines the activities in relation to which the Furniture and Timber Industry Training Board exercises its functions. The Board was established on 9th December 1965 by the Industrial Training (Furniture and Timber Industry Board) Order 1965.

Amongst the activities henceforth to be included in the furniture and timber industry are:—

(*a*) dealing, by agents or brokers, in wood and similar materials;

(*b*) the manufacture of particle board, wood flour, springs for furniture or for seating of any kind, fishing rods, golf clubs, painters' rollers and, from the waste or residues of animals, strings for sports racquets;

(*c*) the manufacture or repair of furniture made from metal or from metal and plastics material (except when carried out by an engineering process) and of organ pipes;

(*d*) the chemical treatment of wood against insects, fungi and marine organisms.
