Coming into Operation	1*st July*, 1953

The Commissioners of Customs and Excise, in pursuance of the powers conferred upon them by paragraph 4 of the Fourth Schedule to the Customs and Excise Act, 1952(a), (hereinafter called "the Act") hereby make the following Regulations :—

1. Where application is made, in respect of premises for which an excise licence has not previously been in force or of licensed premises of which the annual licence value has not been certified, for a licence at a reduced duty under paragraph 3 of the Fourth Schedule to the Act and the Commissioners of Customs and Excise are satisfied upon the representation of the applicant that it is probable that such premises are premises to which the said paragraph 3 will apply, the licence may be granted on a provisional payment of one-fifth of the full duty as defined by paragraph 13 of the Fourth Schedule to the Act.

2. In the case of premises for which an excise licence has not previously been in force, the licence-holder shall, immediately after the expiration of a period of six months from the date on which the licence came into force, make a return on a form prescribed by the said Commissioners to the officer mentioned therein, showing the total receipts in that period from the business of all descriptions carried on by the licence-holder in the premises and the receipts in the same period from the sale of intoxicating liquor; and if the said Commissioners are satisfied that the receipts from the sale of intoxicating liquor were less in the case of a restaurant than three-fifths and in the case of any other premises than one-half of the total receipts from the business of all descriptions carried on by the licence-holder in the premises during that period, the duty payable on the licence shall be a reduced duty as provided by paragraph 3 of the Fourth Schedule to the Act, and, subject to the option of the person by whom the duty is payable to have the duty charged according to the annual licence value of the premises, shall be calculated by reference to the receipts for that period.
