(ii) the surface of the eyes;
(iii) the left hand and forearm;
(iv) the right hand and forearm;
(v) the left foot and ankle; or
(vi) the right foot and ankle;

(*f*) the dates between which the film was worn;

(*g*) particulars of any radiation dose (expressed as rads in air) as indicated by the results of the examination of the film, from—
(i) aggregated radiation (in all cases);
(ii) X-rays and gamma rays (in cases where the film was worn at or near parts of the body other than the hands, forearms, feet, ankles and eyes); and
(iii) X-rays, gamma rays, beta particles of maximum energy exceeding 2·5 MeV., electrons and positrons (in cases where the film was worn near the surface of the eyes);

(*h*) any special observations;

(*i*) the signature of the director or other responsible person at the laboratory.

Sealed with the Official Seal of the Ministry of Labour and National Insurance for Northern Ireland this 14th day of February, nineteen hundred and sixty-three.

(L.S.) *W. Slinger,*
Assistant Secretary.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order prescribes the particulars to be contained in certificates issued by approved laboratories in pursuance of Regulation 23(2) of the Ionising Radiations (Sealed Sources) Regulations (Northern Ireland), 1962, as to any radiation dose received by the wearers of films as indicated by the results of the examination of the films.

1963. No. 15 **[NC]**

FACTORIES

Ionising Radiations (Sealed Sources)—Radiation Dosemeter and Dose Rate Meter

ORDER, DATED 14TH FEBRUARY, 1963, MADE BY THE MINISTRY OF LABOUR AND NATIONAL INSURANCE UNDER THE IONISING RADIATIONS (SEALED SOURCES) REGULATIONS (NORTHERN IRELAND), 1962.

The Ministry of Labour and National Insurance for Northern Ireland in pursuance of Regulation 13(3) of the Ionising Radiations (Sealed Sources)

Regulations (Northern Ireland), 1962(a), hereby prescribes the particulars to be contained in the register kept under that paragraph of tests of radiation dosemeters and dose rate meters.

1. This Order may be cited as the Ionising Radiations (Sealed Sources) (Radiation Dosemeter and Dose Rate Meter) Order (Northern Ireland) 1963, and shall come into operation on the 18th day of March, 1963.

2. A register of every test carried out in pursuance of the said Regulation 13(3) of a radiation dosemeter or dose rate meter shall contain the following particulars, namely—

(*a*) (i) the name of the occupier (or the name and address of the person deemed to be the occupier);

(ii) the address of the factory or the addresses of the factories for which the dosemeter or dose rate meter is provided;

(*b*) a description of the radiation dosemeter or dose rate meter and its distinguishing number or mark;

(*c*) the date of every test or retest;

(*d*) whether the test was a first test, a periodic retest or a retest after the repair of a defect which could affect the accuracy of the dosemeter or dose rate meter;

(*e*) the results of the test or retest;

(*f*) the full names, address and description of the person who made the test or retest;

(*g*) the signature of the person who made the test or retest.

Sealed with the Official Seal of the Ministry of Labour and National Insurance for Northern Ireland this 14th day of February, nineteen hundred and sixty-three.

(L.S.) *W. Slinger,*
Assistant Secretary.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order prescribes the particulars to be contained in registers kept in pursuance of Regulation 13(3) of the Ionising Radiations (Sealed Sources) Regulations (Northern Ireland), 1962, of every test of a radiation dosemeter or dose rate meter.
