## EXPLANATORY NOTE

*(This Note is not part of the Order.)*

This Order varies the description of the limits of the Isles of Scilly Sea Fisheries District (created in 1970 by an order under the Sea Fisheries Regulation Act 1966). The district is declared to extend three nautical miles seaward from the baselines from which United Kingdom territorial waters are measured, and includes the waters on the landward side of those baselines. The baselines in question were established by the Territorial Waters Order in Council 1964 (published in Statutory Instruments 1965 at p. 6452A).
