1957 No. 1040

The Key Industry Duty (List No. 3—Scientific Glassware) Order, 1957

Made - - - - 19*th June*, 1957
Coming into Operation 5*th July*, 1957

Whereas it is provided by subsection (5) of section 1 of the Safeguarding of Industries Act, 1921(**a**), that, for the purpose of preventing disputes arising as to whether any goods are or are not any goods chargeable with duty under Part I of that Act, the Board of Trade may from time to time issue lists defining the articles which are to be taken as falling under any of the general descriptions set out in the Schedule to that Act, and that, where any list is so issued defining the articles which are to be taken as falling under any such general description, the said Schedule shall have effect as if the articles comprised in the list were therein substituted for that general description.

And whereas it is provided by subsection (3) of section 5 of the Finance Act, 1936(**b**), that the power of the Board under the said subsection (5) to issue lists defining articles which are to be taken as falling under any of the general descriptions set out in the said Schedule shall include power to amend any list so issued.

And whereas the Board have issued lists defining the articles which are to be taken as falling under the general description set out in Part I of the Schedule hereto, namely List C in 1921, List C (ii) in 1926 and List C (iii) in 1933.

And whereas it appears to the Board that the said lists require amendment by adding thereto the items specified in the First Annex hereto, removing therefrom the items specified in the Second Annex and substituting therein for the descriptions specified in the first column of the Third Annex the revised descriptions specified in the second column.

And whereas the Board think it expedient that such amendment should be effected by issuing a new list superseding the said Lists C, C (ii) and C (iii).

Now, therefore, the Board of Trade in pursuance of the powers conferred upon them by sub-section (5) of section 1 of the Safeguarding of Industries Act, 1921, and sub-section (3) of section 5 of the Finance Act, 1936, hereby order as follows:—

1. The list set out in Part II of the Schedule hereto shall be the list defining the articles to be taken as falling under the general description set out in Part I of that Schedule, being one of the general descriptions set out in the Schedule to the Safeguarding of Industries Act, 1921. Such list may be referred to as "Key Industry Duty List No. 3".

2. The lists previously issued by the Board of Trade defining the articles mentioned in Article 1 hereof shall cease to have effect.

(**a**) 11 & 12 Geo. 5. c. 47. (**b**) 26 Geo. 5 & 1 Edw. 8. c. 34.

3. This Order may be cited as the Key Industry Duty (List No. 3—Scientific Glassware) Order, 1957, and shall come into operation on the 5th day of July, 1957.

Dated this 19th day of June, 1957.

Frank Lee,
Secretary of the Board of Trade.
