EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order supersedes the current Order relating to the manufacture and supply of knitted goods. The principal changes are as follows:—

(*a*) The Order brings into force a new Hosiery Schedule (Schedule L of Utility Knitted Goods), containing revised descriptions, specification numbers and prices for utility knitted goods; it also provides that for a period of six months a manufacturer may, where the specification numbers are changed, mark his goods with the appropriate specification number specified in the Hosiery Schedule in force immediately before the commencement of this Order ("Schedule K" as amended by Supplements Nos. 1 to 7 thereto). Where a manufacturer marks his goods with a specification number given in Schedule K, as amended, but not in Schedule L he will be bound by the price in Schedule K.

(*b*) Manufacturers' maximum prices for all women's seamless hose (other than nylon, pure silk or silk mixture hose) and women's ankle socks marked in accordance with Schedule L are now the same whether they are sold to a wholesaler or otherwise; these prices are the same as the wholesalers' and retailers' maximum prices fixed under the Goods and Services (Price Control) Act, 1941 (see S.I. 1950 No. 1636).

(*c*) A number of utility knitted cloths, which previously could be used for making up only certain knitted goods expressly permitted to be made therefrom, may now be used for making up any knitted goods which comply with a description in the new Hosiery Schedule. (See Article 2 (1))

(*d*) Any knitted goods complying with the appropriate shrink-resisting specifications may now be labelled "shrink-resisting".

(*e*) The price increases permitted for embroidery are now specified in the Order; previously they were controlled on the basis of "cost plus" with an overriding ceiling.

(*f*) The restriction on supplies of non-utility knitted goods by registered manufacturers is continued until 27th October, 1951.
