EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the Lace Industry (Scientific Research Levy) Order, 1951, as amended.

The basis of calculation and the rates of that part of the levy which is calculated on yarn purchases have been changed. The basis of calculation is now yarn purchased in 1952 and not 1951 as hitherto.

The rates of that part of the levy calculated by reference to leavers lace machines have also been changed.

These changes in the rates have been made to ensure that the total amount recoverable under the Order each year continues to be approximately the same.
