EXPLANATORY NOTE

(This note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the Lace Industry (Scientific Research Levy) Order, 1955.

The basis of calculation and the rates of that part of the levy which is calculated on yarn purchases have been changed. The basis of calculation is now yarn purchased in 1955 and not 1954 as hitherto.

The rates of that part of the levy calculated by reference to leavers and leavers-type lace machines, and to multi-needle shuttle embroidery machines have also been changed.

These changes in rates have been made to ensure that the amounts recoverable each year under this Order from each section of the industry continue to be approximately the same as previously.
