Boards, an Internal Drainage Board, if it is aggrieved by the resolution of a River Board determining the amount of the contribution, may within six weeks after the date on which notice of the resolution is given by the River Board to the Internal Drainage Board, appeal to the Minister of Agriculture and Fisheries against the resolution, and the Minister may, after considering any objections made to him and, if he thinks fit, holding a Local Public Inquiry, make such an Order as he thinks just.

EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

River Boards may raise money towards defraying their expenses by issuing precepts to Internal Drainage Boards. These Regulations prescribe a form of precept and a statement to be sent with every precept, setting out the purposes to which the amount demanded is to be applied and the basis or which it is calculated.

The Land Drainage (River Boards) General Regulations, 1950

1950 No. 16

Made - - - -	*2nd January*, 1950
Laid before Parliament	*6th January*, 1950
Coming into Operation	*1st April*, 1950

The Minister of Agriculture and Fisheries, in exercise of the powers conferred on him by Section 74 of the Land Drainage Act, 1930(**a**), as applied by Section 4 of the River Boards Act, 1948(**b**), and of all other powers enabling him in that behalf, hereby makes the following Regulations.

1. These Regulations may be cited as the Land Drainage (River Boards) General Regulations, 1950, and shall come into operation on the first day of April, 1950.

2. The Interpretation Act, 1889(**c**), shall apply to the interpretation of these Regulations as it applies to the interpretation of an Act of Parliament.

3. Notice of a proposal of a River Board under Section 9, sub-section (2) of the Land Drainage Act, 1930, to commute any obligation imposed on any person by reason of tenure, custom, prescription or otherwise, to do any works, (whether by way of repairing of banks, maintaining of watercourses or otherwise) in connection with the main river, shall specify the terms on which the obligation is to be commuted and the time within which objection to the proposal may be made to the River Board, and shall be given in the manner required by Section 19 of the River Boards Act, 1948.

4.—(1) A River Board intending to enter into an arrangement with a navigation or conservancy authority for any of the purposes set out in Section 40 of the Land Drainage Act, 1930, shall publish a notice of such intention inserted as an advertisement in one or more newspapers circulating in the river board area at least one calendar month before the arrangement is made.

(a) 20 & 21 Geo. 5. c. 44. (b) 11 & 12 Geo. 6. c. 32. (c) 52 & 53 Vict. c. 63.

(2) When a River Board has made an arrangement under the said Section, the notice of the arrangement to be published in the London Gazette shall contain the following particulars:—

(*a*) the names of the authorities making the arrangement;

(*b*) the date of the arrangement;

(*c*) the purpose or purposes for which the arrangement has been made;

(*d*) the place where a copy of the arrangement may at all reasonable times for a period of one month from the date of the publication of the notice be inspected by persons interested.

5. The persons or bodies affected by an Order under the Land Drainage Act, 1930, in any way relating to River Boards or the exercise of their functions, who for the purposes of the Second Schedule, Part II, paragraph 1, of the said Act have an interest sufficient for the presentation of a memorial that the Order shall not become law without confirmation by Parliament shall be such as are prescribed in this Regulation.

(*a*) In the case of an Order confirming a scheme of a River Board making provision for the alteration of the boundaries of any internal drainage district, or the amalgamation of the whole or any part of any internal drainage district with any other such district, or the abolition or reconstitution of any internal drainage district and of the drainage board thereof, or the constitution of new internal drainage districts and drainage boards or the constitution of drainage boards for all or any of the separate drainage districts constituted by the scheme, or the amendment of the method of constituting a drainage board, or the making of alterations in, and the addition of supplemental provisions to, the provisions of any local Act, or of any award made under any such Act, or any matter supplemental or consequential thereto:—

(i) the drainage authority of the existing drainage area;

(ii) the proprietors of not less than one-sixth part of the lands within the area affected.

(*b*) In the case of an Order confirming a scheme of a River Board for revoking, varying or amending any provisions in an award made under any public or local Act which in any manner affects or relates to land drainage in a river board area:—

(i) the proprietor of any land affected by the award.

(*c*) In the case of an Order for the transfer to a River Board of the powers, duties, liabilities, obligations and property of a drainage authority or drainage board:—

(i) the drainage authority or drainage board.

(*d*) In the case of an Order revoking, varying or amending the provision of any local Act relating to navigation rights over, or to the powers and duties of any navigation authority with respect to any waters within any drainage district:—

(i) the navigation authority concerned and any harbour authority, conservancy authority or navigation authority, with whose area of jurisdiction the waters of the navigation authority concerned connect.

(*e*) In the case of any Order under the said Act:—

(i) the council of any administrative county or county borough or the River Board of any river board area in which a drainage area affected by the Order or the drainage district proposed to be constituted by the Order, or any part of the area or districts is situate; and

(ii) any body or person certified by the Minister to be affected by the Order and to have an interest sufficient for the presentation of a memorial.

In witness whereof the Official Seal of the Minister of Agriculture and Fisheries is hereunto affixed this second day of January, nineteen hundred and fifty.

Donald E. Vandepeer,
Secretary.

EXPLANATORY NOTE

(*This Note is not part of the Regulations, but is intended to indicate their general purport.*)

The River Boards Act, 1948, which establishes river boards to carry out certain functions including land drainage, applies to river boards many of the provisions of the Land Drainage Act, 1930. These Regulations made under the Land Drainage Act, 1930, (which enact in respect of river boards similar provision to those in Land Drainage (General) Regulations, 1932, relating to catchment boards) prescribe the notices to be given when a river board propose to commute an obligation imposed on any person to do any work, or to enter into an arrangement with a navigation or conservancy authority; they also prescribe the interests which shall be sufficient to enable persons to present a memorial that certain Orders made under the Land Drainage Act, 1930, shall not become law without confirmation by Parliament.
