EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order cancels the concession made in 1950, whereby on a transfer of registered land for value no fee was payable on charges lodged with the transfer, and restores the half fee payable under the Land Registration Fee Order, 1930.

It also has the effect of abating by one half the fee payable for registering notice of the making of further advances under a charge to secure further advances which was registered with a transfer for value. Under the provisions of the Order now repealed a fee at the full rate was payable for noting such further advances on the register.
