1.1 This explanatory memorandum has been prepared by the Home Office ("the Department") and is laid before Parliament by Command of Her Majesty.

2. Purpose of the instrument

2.1 This Order will extend the hours during which licensed premises can be used for the sale of alcohol for consumption on the premises, the on-trade provision of late-night refreshment, and the provision of regulated entertainment, to mark the 2020 UEFA European Championship.

3. Matters of special interest to Parliament

Matters of special interest to the Joint Committee on Statutory Instruments

3.1 None.

Matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business (English Votes for English Laws)

3.2 This entire instrument applies to England and Wales only as it is made under sections 172(1) and 197(2) of the Licensing Act 2003 ("the 2003 Act"), which extend to England and Wales only.

3.3 This instrument does not have any minor or consequential effects outside of England and Wales.

3.4 In the view of the Department, for the purposes of Standing Order No. 83P of the Standing Orders of the House of Commons relating to Public Business, the subject-matter of this entire instrument would be within the devolved legislative competence of the Northern Ireland Assembly if equivalent provision in relation to Northern Ireland were included in an Act of the Northern Ireland Assembly as a transferred matter and the Scottish Parliament if equivalent provision in relation to Scotland were included in an Act of the Scottish Parliament.

3.5 The Department has reached this view because it considers that the purpose of the instrument is to extend licensing hours, which is within the devolved legislative competence of the Northern Ireland Assembly and the Scottish Parliament. The instrument does not relate to an excepted matter or a reserved matter in Schedules 2 and 3 respectively to the Northern Ireland Act 1998 and is not otherwise outside the legislative competence of the Northern Ireland Assembly (see section 6 of that Act). The instrument does not relate to a reserved matter in Schedule 5 to the Scotland Act 1998 and is not otherwise outside the legislative competence of the Scottish Parliament (see section 29 of that Act).

5.1 Priti Patel, Home Secretary has made the following statement regarding Human Rights:

"In my view the provisions of the Licensing Act 2003 (2020 UEFA European Championship) Order 2021 are compatible with the Convention rights."

6. Legislative Context

6.1 The 2003 Act enables a regime under which premises can be authorised to be used for certain activities (referred to as "licensable activities"), namely: the sale of alcohol by retail (for consumption on or off the premises); the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club; the provision of regulated entertainment (plays, live and recorded music, indoor sport, films and boxing and wrestling); and the provision of late night refreshment (the provision of hot food and hot drink between 11pm and 5am).

6.2 The grant of an authorisation by a licensing authority must be made with a view to promoting one or more of the four licensing objectives under the 2003 Act: the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm. Indefinite authorisation for a premises is given by means of a premises licence or club premises certificate (for members' clubs), and this authorisation sets out which licensable activities may be carried on, during which hours and subject to what conditions.

6.3 Section 172 of the 2003 Act gives the Secretary of State the power to make a licensing hours order if she considers that a period (the "celebration period") marks an occasion of exceptional international, national or local significance. This power has only been exercised on five occasions since the 2003 Act has been in force.

6.4 A licensing hours order provides that during specified periods (which can include part of or all of the celebration period but cannot exceed 4 days), premises licences and club premises certificates have effect (to the extent that this is not already the case) as if times specified in the order were included in the opening hours authorised by the licence or certificate. An order may be applied to all licensed premises in England and Wales or restricted to licensed premises in one or more specified areas. It is also possible to impose different opening hours on different days during the relaxation and to allow different opening hours for different licensable activities.

6.5 The exercise of the power in section 172 is subject to a condition that the Secretary of State must consult such persons as she considers appropriate.

7. Policy background

What is being done and why?

7.1 The Government considers the 2020 UEFA European Championship, which takes place on Sunday 11 July 2021, to be an occasion of exceptional national significance, for the purposes of section 172 of the Licensing Act 2003, given the magnificent achievements of the England football team within the tournament and wishes to mark this occasion by extend licensing hours. This Order will permit licensed premises in England and Wales to remain open on Sunday 11 July 2021 to 11:15pm that evening, for the sale of alcohol for consumption on the premises and for the provision of regulated entertainment. This will allow premises wishing to remain open later for celebratory events to be able to do so without having to serve a temporary event notice (a temporary authorisation to use premises for licensable activities available under the 2003 Act) to their local authority at a fee. It was considered inappropriate to relax licensing hours for the sale of alcohol for consumption off the licensed premises because anyone wishing to celebrate at home could buy alcohol in advance, or during normal trading hours. The provision of late-night refreshment in on-trade licensed premises will be in scope of this Order.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

8.1 This instrument does not relate to withdrawal from the European Union / trigger the statement requirements under the European Union (Withdrawal) Act.

9. Consolidation

9.1 Not applicable.

10. Consultation outcome

10.1 The Home Office ran a truncated consultation by telephone with selected partners on the 6 July 2021. Views were sought from the police, local government representative bodies, including public health and the hospitality industry.

10.2 5 responses were received from the British Beer and Pub Association, UKHospitality, the National Association of Licensing and Enforcement Officers, the National Police Chiefs Council lead on Football, Local Government Association and Public Health England.

10.3 A majority of the respondents (5 out of the 6) indicated that they were in favour of, or had no objections to, an extension to licensing hours to mark the 2020 UEFA European Championship. The consultation asked one closed question on duration of the extension to the licencing hours till 11.15pm and one open question inviting further comments for their respective answer.

- Should licensing hours be extended on Sunday 11 July 2021, to 11.15pm the same day?

10.4 More detailed responses were provided in response to the open question. Representatives of the licensing trade where in favour of the additional licencing extension to 11.15pm and did not see this as a concern. The Local government association also were in favour. The National Police Chiefs Council lead on football did oppose such noting “We are seeing record levels of disorder associated with

England fixtures and a worrying number of serious assaults. There are mechanisms in place to allow extension of licensing permissions through established local regulation and any blanket approach throws it open for poorly run premises to act in an irresponsible fashion. Such a move would be both unnecessary given the framing of licensing rules and would undoubtedly increase demand on policing, lead to more assaults and set a dangerous precedent."
